At the November session, 1891, of this Grand Body, the Grand Master and Grand Secretary were ordered to draw a warrant for one-twelfth of the amount derived from dues from Subordinate Lodges each six months, payable to the Treasurer of the Odd Fellows' Home.

At the November session, 1894, the Committee on Finance and Accounts recommended that this resolution be rescinded, and that the Secretary be directed to calculate the amount due the Odd Fellows' Home, and that an account be opened with said Odd Fellows' Home, giving it credit for the amount then due under that resolution, to be paid when the location is definitely settled and the building is under construction. This was referred to a special committee, (see p. 2168 Nov. session, 1894), which reported that the Trustees of the Home had agreed to waive any claim under the resolution referred to until such time in the future as the necessities thereof may require, and until further notice of the Grand Lodge, and that no further sum of money be set aside under the resolution until that time, which resolution was concurred in by this Grand Body. (See proceedings Nov. session, 1894, p. 2209-2210.)

The amounts appropriated by the resolution of the November session, 1891, were never, in fact, drawn from the treasury, but were lost with the other Lodge funds in the Indianapolis National Bank. There is now unpaid to the Home under this resolution from this Grand Body \$4,200, and the Trustees of the Home now have five acres of ground near Crown Hill Cemetery, north of this city, upon which to build the Home, and state that if this Grand Lodge will pay the above sum, the Home can be built and put in operation this year. I submit the correspondence from Bro. J. B. Kenner, President of the Home, for your consideration, believing that your generous impulses will provide for this noble enterprise all that a prudent regard for the interests of the Order in the present condition of our Grand Lodge treasury will permit.

ORPHANS' HOME.

In January, 1893, a number of Odd Fellows and Daughters of Rebekah at South Bend established a home for the orphans of Indiana Odd Fellows, and in August, 1893, it was incorporated under the laws of the State. Thus far a noble work has been done. There are now seven Odd Fellows' orphans receiving the

loving care and tender attention of faithful Daughters of Rebekah in that institution.

An effort was made to secure subscriptions from the Subordinate and Rebekah Lodges of the State to insure the permanent success of this most worthy enterprise. So far four Subordinate and Rebekah Lodges have responded and the subscriptions thus made have only guaranteed the payment of \$317 per annum for the support of these wards of ours.

In April I received a communication from Mrs. Henderson, the secretary of the association, that has so generously given time and money to make this home a success, stating that they must give it up while they could honestly settle all its obligations and that on 25th of April they would wind up its affairs. Believing that the 43,000 Odd Fellows of this good old State, who pledged themselves at our altars to provide for the orphans of those who in life bore their share in the great work of Odd Fellowship, would not permit these fatherless babes to want for proper care, I requested those in charge of this benevolent institution to postpone its abandonment until this Grand Body should have an opportunity to express itself, and this was done. I lay the interests of these little ones on your hearts and commit their future to your fraternal care. The correspondence, the articles of incorporation and by-laws, and all other information in my possession will be submitted to the proper committee.

REBEKAH ASSEMBLY.

Pursuant to the order of this Grand Body at its last annual communication, your Grand Master and Grand Secretary prepared a charter for a Rebekah Assembly for Indiana, and it was presented and a Rebekah Assembly organized in this hall on the 21st of May, 1895, and it begins its career under the most flattering conditions.

DISTRICT MEETINGS.

Four district meetings were authorized for the current year. One of these was held at Rushville, on the 8th day of May, which was a decided success in every respect. A very large number of Lodges were represented. The whole city welcomed the visitors and treated them with generous hospitality. A grand street parade was a feature that excited great interest within, as well as without the Order. The degré work, both in the Rebekah and subordinate branches was of a high order, and the meeting will, no doubt, be of great value in that section of the State.

DECISIONS.

In response to questions from Lodges and members, a great many decisions have been made—too many to embody them in this report. One of them involves a question that should be settled by this Grand body.

Is a Past Grand of an old Lodge, who has never served as Vice Grand, eligible as Representative in this body?

Under Section 3, Article I, of the Constitution of this Grand Lodge it is expressly provided that he is not, while in Section 1, Chapter XIX, General Laws, the only qualification required is that he shall be a Past Grand.

At the May session, 1887, page 1182, the question was presented to the Legislative Committee of this body as to whether a Noble Grand who had not filled the office of Vice Grand would be eligible as Representative. The committee, citing Section 5, Chapter 3 of the General Laws, held that he would be, but the section of the Constitution above cited was not referred to in the decision, and believing the provision of the Constitution and the section of the General Laws are in conflict that the Constitution would control, I held the Noble Grand under such circumstances would not be eligible as Representative, and submit it to you for your approval or disapproval.

The large financial and fraternal interests submitted for your action at this session of this Grand Body will demand careful consideration. The rights of members and of Lodges will be adjudicated by you. Let us approach the discharge of these important duties with a determination that justice and mercy shall both obtain, and that our great Order shall reap some benefit from this meeting.

M. A. CHIPMAN,
Grand Master.

On motion of W. H. Leedy, P. G. Master, the following resolution was adopted :

Resolved, That that part of the Grand Master's report, Lodges instituted and resuscitated, be referred to the Committee on Petitions and Applications; that part referring to the institution of Rebekah Lodges and Rebekah Assembly, to Committee on Degree of Rebekah; that part referring to Odd Fellows' Home, Orphans' Home and District Meetings, to Committee on State of the Order; that part referring to decisions of the Grand Master to the Legislative Committee.

GRAND SECRETARY'S REPORT.

To the Grand Lodge I. O. O. F. of Indiana :

I herewith submit my report for the term ending December 31, 1894. From the statistics presented it will be seen that we have a slight gain in membership, which is very gratifying when we consider the financial crisis through which we have passed. For the year ending the same period, our net gain over all losses by suspension and otherwise is *seven hundred and seven* !

Our relief report for the term may be summed up as follows: *Two thousand three hundred and fourteen* brothers, and *one hundred and eighty-six* widowed families have been relieved. The sum of \$51,002.15 has been paid for the relief of brothers; \$2,410.78 for the relief of widowed families; \$254.99 for educating orphans; \$13,960.40 for burying the dead, and \$5,239.71 for other charitable purposes.

making the total amount of relief for the term \$72,868.63. If this be added to the relief reported at the November session, 1894, we have the large sum of \$155,628.42 as the relief for the year ending December 31, 1894.

Four new Subordinate Lodges and nineteen Rebekah Lodges have been instituted since the last session of the Grand Lodge. For a record of these you are referred to the report of the Grand Master.

Balance, \$664.57, has been paid to Mrs. Mary A. Poths, Secretary of the Rebekah Convention. A record of all these Lodges, with the name, number and location of each, and the amount paid by each, has also been furnished to the Convention.

CONCLUSION.

In reviewing the work of the term, it will be seen that there has been no loss, but a slight gain. Since the beginning of the year there has been a great activity among the Lodges, and from present indications we anticipate a large gain for the term ending in June, 1895. With returning prosperity in the various branches of industry, Odd Fellowship will continue its onward march in the forefront of the fraternal institutions of the land. Invoking the continued smiles of a kind and indulgent Providence, let us go forward in our work of mutual relief and love, and a rich and golden harvest will be the fruitage of our labors.

Grand Secretary.

W. H. Leedy, P. G. Rep., from the Committee on Legislation, submitted the following

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana :

Your Committee on Legislation, at the November session, 1894, (pages 2182-2183), were instructed to amend Section 13, Chapter IV, of the General Laws by adding the following:

"It shall be the duty of each Subordinate Lodge to enact such by-law for the enforcement of the provisions of this section as it may deem most efficient, and such by-law shall be the only law for the enforcement thereof.

"Should any member be dissatisfied with the enforcement of said by-law in any case, he may appeal to a Committee of Past Grands in the same manner as provided for in Section 15 of this Chapter."

By an inadvertance your committee overlooked your instruction, but take this, the first opportunity possible, to comply therewith. Therefore, in compliance with and respect for your instructions, we recommend the adoption of the said amendment.

Which was concurred in.

J. B. Cockrum, G. Rep., submitted the following resolution:

To the Grand Lodge, I. O. O. F., of Indiana :

Resolved, That this Grand Lodge tender to the Grand Lodge Knights of Pythias of Indiana the use of this Grand Lodge Hall for its annual convocation in June, 1895, and that we extend to it our best wishes and fraternal greeting.

Which on motion, was concurred in.

J. B. Kenner, from the Standing Committee on Printing submitted the following

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana :

Your Committee on Printing, in obedience to law, hereby report the proceedings of the committee since the last annual session of the Grand Lodge.

The contract for printing entered into by the committee on December 14, 1893, for one year having expired, your committee prior to the said 14th of December, 1894, advertised in two of the leading newspapers of Indianapolis, that on December 19, 1894, they would receive bids for the printing of the Grand Lodge, and all stationery and supplies, and on said 19th of December, we met and opened the bids, and finding the bid of the Baker-Randolph Co., was the lowest and best bid, we contracted with them for one year from December 19, 1894, to December 19, 1895, in writing, and have their contract now in our possession. We believe we have a very favorable contract for the Grand Lodge.

We have examined the material that has entered into the supplies, stationery and printing, and find it fully up to contract and of good serviceable quality.

Your committee are gratified to state that the bills allowed for printing, stationery and supplies furnished since our last November session is very light, amounting to only \$522.19. This is very light for that period; but we can not estimate on these matters safely except we take a year, and possibly several years, as the work laps over; but we are firmly of the opinion that by our new system we shall be able to save money, and relieve our Grand Officers of a burden that never ought to belong to them. Indeed we now know that we have by the contract system saved money.

Which, on motion, was ordered printed.

The following telegram was received, which was ordered printed in the proceedings, and the Grand Master and Grand Secretary were instructed to send a suitable response of fraternal greetings:

CANTON, OHIO, May 21, 1895.

B. F. Foster, Grand Secretary, I. O. O. F.:

The Grand Lodge of Ohio sends fraternal salutations to the Grand Lodge of Indiana.

JNO. M. BRODERICK, *Grand Master.*

C. H. LYMAN, *Grand Secretary.*

H. C. Scearce, P. G., from the Committee on Finance and Accounts, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana :

Your Committee on Finance and Accounts have carefully examined the books, vouchers and report of the Grand Treasurer, also the books and report of the Grand Secretary, and find the same in all things correct.

Which was concurred in.

H. C. Scearce, P. G., from the same committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana :

We, your committee on Finance and Accounts, to whom was referred the books and vouchers of the Grand Lodge Hall Trustees, would respectfully report that we have examined the same and find them correct.

Which was concurred in.

The Committee on Grievances and Appeals submitted their report as follows :

We, your Committee of Grievances and Appeals, hereby submit our report. We have carefully considered all questions submitted to us and have rendered our opinions thereon as we consider just and proper. All of which is respectfully submitted.

No. 935.

OPINION BY ENOCH G. HOGATE, G. REP.

To the Grand Lodge, I. O. O. F., of Indiana :

J. T. Burton *vs.* Herndon Lodge, No. 95.

The charges in this case are as follows :

"We charge Bro. J. T. Burton with committing a fraud upon Herndon Lodge by representing himself in good health when re-instated July 8, 1890.

"Specification 1. That he admitted to the examining committee that his sickness and disability commenced in May, 1890, some two months prior to his being re-instated.

"Charge 2. We charge Bro. J. T. Burton with obtaining money fraudulently.

"Specification 1. By claiming and receiving benefits he knew he was not entitled to.

"Specification 2. Knowing he was not entitled to benefits he tried through his friends to induce the examining physicians to make a favorable report on his case so he could continue his draft on Lodge."

After motions to dismiss and to make the charges more certain and specific, the appellant was put upon trial on the charges as above set out. The committee reported the charges sustained by a minority report, and a majority report was made not sustaining the charges. The Lodge adopted the minority report and expelled Bro. J. T. Burton from the Order.

The appellant assigns as one ground of appeal that the charges and specifications are not sufficient to constitute a cause of action.

The charge is fraud. Fraud consists in representing a thing to be true when the person making the representation knows at the time it is not true and the person to whom the representation is made does not know the truth about it, but relies upon the representation and acts to his damage.

So far as the first charge is concerned there is no allegation of a fact in it. It does not disclose what Bro. Burton said in regard to his health, nor to whom he said it. It does not charge that Bro. Burton knew to the contrary in regard to his health, nor does it say that the Lodge was ignorant of his condition of health and relied on the statement of the appellant, whatever they may have been. Mere epithets of fraud, without the facts constituting the fraud, can not make a good ground of complaint. It is not necessary to even use the word "fraud" if the facts alleged show it. The specification under this charge says "he admitted to the examining committee that his sickness and disability commenced in May, 1890, some two months prior to his being re-instated." This specification might serve as evidence of a properly laid charge of fraud, but as an allegation of a fact it is worthless. If it is anything, it is pleading the evidence. Again, if the committee mentioned in the specification was the committee appointed by the Lodge to examine the fitness of applicant for re-instatement, then he informed the committee that his disability commenced in May, some two months before he was re-instated, and consequently the Lodge had knowledge of his state of health and was not misled by the statement of Bro. Burton, whatever it might have been.

We do not think Lodges should be held to as high a degree of nicety in pleading as is observed in our law courts, but when a person is to be put on trial for fraud, involving his membership in the Order, the charges ought to have a reasonable degree of certainty. The defendant ought to be quite fully apprised of what he must meet. It has been so often held that mere epithets in a pleading will not answer the demands, but what was said or done that was false and whether the other party acted upon it, must be alleged.

Chapter XI, Section 2, General Laws, contains these words: "In all cases of fraud, conduct unbecoming an Odd Fellow, or other particular offense, it shall not be sufficient to state the same in general terms, but the particulars thereof shall be stated with reasonable certainty."

This section of the law has been followed with many adjudged cases by this Grand Body:

Graham *vs.* Sugar Creek Lodge, May, 1888, page 1320.

Williams *vs.* Big Creek Lodge, November, 1888, page 73.

Snethan *vs.* Anoka Lodge, May, 1889, page 229.

Hutchison *vs.* Tell City Lodge, November, 1894, page 2175.

Wurtzbaugh *vs.* Columbia Lodge, November, 1893, page 1878.

Starr *vs.* Everton Lodge, May, 1893, page 1650.

Barr *vs.* Philoxenian Lodge, November, 1891, page 1091.

The first charge does not come up to the requirements of the General Law, nor the decisions of this Body in such cases.

The second charge and specifications under the same are bad for the same reasons. They attempt to present a separate and distinct cause of action. They do not do so. Nothing is shown by the charge why he was not entitled to the benefits he received. We can not look to the first charge, and say the money he got grew out of his fraudulent re-instatement. Each charge must stand by itself and be complete in itself.

Knowles *vs.* Terre Haute Lodge, November, 1892, page 1476.

The second specification does not say what he did to induce his friends to act; does not say that his friends acted; does not say that the Lodge was damaged by anything the appellant or his friends said to the examining committee of physicians.

There are many other questions arising in the record in this case, such as the substitution of the minority for the majority report, that the evidence does not sustain the finding of the committee, etc., but having arrived at the conclusion that the charges are insufficient, we do not examine the other questions.

We therefore offer the following:

Resolved, That the action of Herndon Lodge, No. 95, be reversed and set aside; that Bro. J. T. Burton be restored to membership, and the Lodge given leave to prefer new charges if it so desire.

ENOCH G. HOGATE,
J. B. KENNER,

OPINION BY GEO. SHIRTS, G. REP.

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Grievances and Appeals, to whom was referred the case of William Kiser *vs.* Wayne Lodge, No. 17, submit the following report therein:

This was a trial upon charges, and the penalty inflicted was expulsion.

The charge was in four different counts, and upon the first one the Trial Committee found the accused not guilty. This count, therefore, need not be further noticed.

The second, third and fourth counts were for adultery, associating with lewd women, and by his conduct bringing reproach upon the Order.

A motion was made by the accused to dismiss the second, third and fourth charges, upon the ground of the alleged insufficiency thereof, which motion was overruled.

It is now argued before this committee that this motion should have been sustained. But your committee are of the opinion that no question as to the sufficiency of these charges is presented by this appeal, for the reason that this motion is not contained in the statement of appeal.

Sec. 15, Chap. XI, General Laws, provides: "The appeal shall be taken by such person filing a statement of appeal in writing with the Secretary of the Subordinate Lodge, which shall state, in plain and concise language, the reasons for taking the appeal, which statement shall be read in open Lodge."

It is further provided that thereupon the Secretary, under the direction of the Lodge, shall prepare an answer to such statement of appeal, which answer shall likewise state why the appeal should not be sustained.

It is also provided, in the same section, that the Grand Lodge shall not have jurisdiction of any matter that has not first been presented to and acted upon by the Subordinate Lodge interested.

It clearly appears, therefore, from these provisions, that before any alleged error in such proceedings can be reviewed here, it must first be presented to the Subordinate Lodge; and, in case of the motion here sought to be reviewed, must be embraced in the statement of appeal and read to the Lodge below.

It must follow from this, that we can consider nothing on appeal, except the matters complained of and stated in the statement of appeal, and all others must be deemed waived and abandoned.

We decide, therefore, that in this case, no question arises which, under our laws can be considered by us, touching the insufficiency of the charges.

May, 1886, 210; May, 1889, 228.

A motion was also made to dismiss the cause for the alleged reason that accused had once been put in jeopardy for the same alleged offense. But how, or in what manner, he had been put in jeopardy is not stated; the motion was not supported by affidavit, nor was any proof offered to support the same. If such fact existed, it was the duty of the accused to bring forward his proof of the same, and, failing to do so, the motion was correctly overruled.

In this connection, it is also argued that the committee erred in excluding certain testimony. But the record does not show that any testimony was excluded, nor offered, in which case we have many times held that we can be guided only by the record.

Our laws wisely provide that all such matters shall be reduced to writing, and incorporated in the record, which record, when properly certified to us, must be deemed to speak the exact truth. It would be dangerous in the extreme to allow a record of a trial to be explained, contradicted, added to or varied by oral statements made when the appeal is being heard by the Grand Lodge.

The remaining errors assigned challenge the sufficiency of the evidence, and assert that the judgment was contrary to law.

No reason is shown why it is contrary to law, and we have not

been able to discover any. The evidence in the record fully supports the charges, and amply justified the finding of the Trial Committee.

It has been urged before us that the witnesses who testified for the Lodge were not of good character. It was the duty of the accused to show that in some proper way, at the trial, if he could. But the Trial Committee had these witnesses before them, and were the best, if not the sole, judges of their credibility. And, by the finding, the committee having believed such witnesses, we can not, on appeal, disturb the judgment on mere oral statements, made here for the first time, touching their character.

We therefore offer the following :

Resolved, That this appeal be dismissed.

To the Grand Lodge, I. O. O. F., of Indiana :

Joel Males *vs.* Morgan Lodge, No. 211, I. O. O. F.

Your Committee on Grievances and Appeals, to whom is referred the appeal of Bro. Joel Males against Morgan Lodge, No. 211, I. O. O. F., submit the following report :

In this case charges were preferred on January 16, 1895, against Bro Males, as follows :

1. To having obtained money under false pretenses between the date of September 24, 1894, and November 25, 1894; having charged Bro. A. W. Farmer with five and three-fourths days' work more than he actually did, at the rate of two dollars per day.

2. To lying in that after acknowledging to the foregoing charge before the Investigating Committee on December 28, 1894, and promising to pay this money fraudulently obtained to Bro. Farmer in ten days or two weeks—the time being fixed by Bro. Males himself, he has failed to fulfill this promise.

3. To violating the obligation taken during his initiation.

Notice was regularly served of these charges, and the same came to trial before a regularly appointed Trial Committee, pursuant to the requirements of the General Laws. Said committee met at the lodge room on the 6th day of February, 1895, and Bro. Males and all witnesses were present. The evidence was heard, and the Trial Committee made its finding, and on the 13th day of February, 1895, at the lodge room, the Noble Grand opened the package containing the papers and proceedings in the case, and thereupon the report of the Trial Committee was read, showing that they had investigated the charges, and, after due notice, had heard the case and found the first charge of obtaining money under false pretenses sustained, and the second charge of lying sustained.

The evidence is in the record, and goes to show that Bro. Males had been at work for Bro. Farmer for thirty-six and one-half days, by the account kept by Bro. Farmer, and that Bro. Males had charged Bro. Farmer with forty-two and one-fourth days' work. In the evidence, it appears that when a settlement was had between them, Bro. Farmer had charged against the account of Bro. Males \$43.00; whereas, Bro. Males had credited Bro. Farmer with \$55.00, and in the settlement, Bro. Farmer took the book of Bro. Males, both as to the charge for time and the credit for the money paid.

When the Investigating Committee was looking into the charges as first presented, they undertook to fix up a compromise, by which Bro. Males was to pay back to Bro. Farmer, within ten days or two weeks, a certain amount of money, and as he did not do it, they then preferred the charges that he had falsely and fraudulently obtained the money from Bro. Farmer, and had lied to them about the payment of it, and the Trial Committee found that he had obtained money under false pretenses, and that he was guilty of lying, as charged.

There is not one syllable of testimony in this case to show that Bro. Males ever presented a bill to Bro. Farmer and demanded a single penny, but that in settlement there was some dispute and difference as to the time, whereupon Bro. Farmer accepted the account kept by Bro. Males, and also accepted the account

Bro. Males, as to the money paid on the work theretofore performed by Bro. Males for Bro. Farmer. It is simply the settlement of an account between two neighbors, two friends and brothers of the same Lodge. It strikes your committee that it is unfair to drag into the Order cases which have no more foundation in fact than the case under consideration. Odd Fellowship should be too sacred; teachings and principles of the Order should be too binding upon the consciences of all members to permit a dispute such as this to find its way into the lodge-room and divide and separate the members of the Lodge into factions, whereby a discord may obtain that will ultimately work to the detriment of the Lodge and decidedly against the better interests of the Order.

We do not believe the Investigating Committee had any right to prefer the second charge; we know they had no right to prefer the third charge, in which they speak of the brother having violated his obligations. In the transcript, that portion of the obligation which is set up as having been violated is a part of the secret work, and the Investigating Committee, and all other members of the Lodge who sanctioned its publication, have certainly forgotten the binding force of their own obligations, or they would not have allowed this charge to have been published and the transcript that is now in the hands of your committee to have obtained.

There is absolutely no merit in this case. The brother has been wrongfully dealt with in the opinion of your committee. The evidence does not show that he obtained money under false pretenses. He did promise the Investigating Committee that he would try to fix this matter up. He did not do it as claimed. He claims he had no opportunity to do it, so that the unsettled condition of an account between two brothers is made the basis for the charges against the brother, whereby he is to be suspended from the Lodge

for eighteen months, as the finding in this case is—the action of the Lodge being that the brother should be suspended for the period of eighteen months.

Your committee can not concur in the action of the Lodge in this behalf. We think a wrong has been done Brother Males. We think the Lodge has exceeded its power and its duty toward Brother Males. We therefore find that this appeal should be sustained, and we recommend the adoption of the following:

Resolved, That the appeal of Brother Joel Males against Morgan Lodge, No. 211, I. O. O. F., be sustained; that the action of Morgan Lodge, No. 211, as against Brother Males, be set aside, and that said Lodge be directed to restore him to membership and to good standing in all things in so far as the action in this case is concerned.

S. M. Stevens vs. Richland City Lodge, No. 577.

Your Committee on Appeals, to whom was referred the papers in the case of appeal of S. M. Stevens vs. Richland City Lodge, No. 577, have carefully examined all the papers in this case and find that Bro. Stevens was taken sick about February 6, 1895, and was sick two weeks. Bro. Stevens was a married man but was not living with his wife. He, Bro. Stevens, sent for his wife and she came. He asked her to stay with him and nurse him during the day. He, Bro. Stevens, claims that some of the Relief Committee told him, also his wife and the landlord, to board Mrs. Stevens while she was there and that the Lodge would pay her board. This is denied and the Lodge refused to pay her board, which was \$5.25. This case is not in a proper shape for your committee to make a decision as to the merits of this case, but we recommend that if Bro. Stevens desires to do so, he and the Lodge may refer this claim to a committee of Past Grands, as provided in Chapter IV, Section 15, of the General Laws.

OPINION BY ENOCH G. HOGATE, GRAND REP.

To the Grand Lodge, I. O. O. F., of Indiana :

B. F. Carl vs. Salamonia Lodge, No. 392.

It appears from the record in this case that prior to May, 1894, charges were preferred against the appellant, and being convicted on a trial he was fined \$25.00 by his Lodge. On appeal to this Lodge

the judgment was affirmed. See *Carl vs. Salamonia Lodge*, No. 392, May, 1894, page 2020.

On the 26th day of January, 1895, the appellant filed in his Lodge a petition, containing eight propositions, asking that said fine be remitted because he was financially unable to pay the same; that he was in good health and his dues were all paid. We do not set out the reasons given in appellant's petition in full, because the view we take of the case renders it unnecessary. The petition was accepted by the Subordinate Lodge and placed on file, and a motion was made to remit the fine, which motion was lost. A motion was then made to remit all of the fine but \$5.00, and this motion was lost. A motion was then made to suspend the appellant for eighteen months for non-payment of the \$25.00, and that motion was lost. A motion was then made to expel the appellant for the non-payment of said fine, and the record informs us that more than two-thirds having voted to expel, the Noble Grand declared him expelled. The appellant then gave notice of appeal and filed his grounds in which he claims that the action of the Lodge in expelling him was "unlawful, inoperative and void." The Lodge answered the grounds of appeal with a denial.

The judgment of the Lodge in assessing the fine against Bro. Carl, having been affirmed by the Grand Lodge is forever at rest, and the validity of that judgment can not now be questioned. Bro. Carl must pay the fine, if the Lodge does not remit it, if he would be in good standing with his Lodge. The only question to decide, therefore, is the validity of the action of the Lodge in expelling him for the failure to pay the fine.

Section 16, Chapter XV, General Laws, reads as follows:

"The refusal to pay any fine imposed according to law shall subject the delinquent so refusing to the penalty of suspension or expulsion, as the Lodge may determine."

We do not understand from this section that a member of a Lodge, against whom a fine stands, can be expelled from the Lodge for non-payment of the fine without charges preferred and a regular trial and finding showing his refusal to pay the fine. The Lodge in this case acted summarily without notice to the appellant. He was before the Lodge by petition asking mercy by reason, as he says, of inability to pay. The Lodge refused this and proceeded to expel the appellant, presumably from the fact that the records of the Lodge showed an unpaid fine against the appellant. He had no day in court to answer to a charge of refusal to pay, and it should be borne in mind that the law says "refusal."

It might be that the delinquent member could show an utter inability, by reason of sickness or lack of opportunity to earn the money, and these might constitute valid defenses to a charge of "refusal to pay." We do not, however, decide that they would be defenses. This case is somewhat in the nature of a suit on a judgment in our civil courts. There the judgment is pronounced and is valid. Before a suit could be maintained on the judgment, the defendant must be notified that he may come into court and show a payment of the judgment, or make any valid defense he may have. The court in such a case can not take notice of the fact that the records show an unpaid judgment and summarily enter a renewal of the judgment. In this case the brother was not informed

that he was to be proceeded against for the non-payment of a fine. He has not been heard on "refusing to pay," and yet the extreme penalty of the law has been inflicted. We do not believe there is any offense mentioned in Chapter XIV General Laws, or any offense cognizable by the laws of our Order, where a penalty may be inflicted, that the penalty can be imposed without notice to the defendant.

Again the record of the vote showing the expulsion is not given. The record says: "More than two-thirds having voted to expel for non-payment of fine, Noble Grand so declared him expelled."

It is decided over and over by this Grand Lodge that the record made by the Lodge and the record on appeal must show how many were present when the vote was taken, and the number who voted for and against. This is not done in this case.

For the errors pointed out, we think the action of Salamonie Lodge, No. 392, in expelling Bro. B. F. Carl, ought to be reversed.

We therefore recommend that this cause be reversed, and that B. F. Carl be restored to membership in his Lodge. But nothing herein shall be construed as affecting the fine of twenty-five dollars assessed against B. F. Carl.

Sheridan Lodge, No. 691, *vs.* Delphi Lodge, No. 28.

Your Committee on Appeals, to whom was referred the papers in the case of Sheridan Lodge, No. 691, against Delphi Lodge, No. 28, submit the following report:

This case is the original claim of Sheridan Lodge, No. 691, against Delphi Lodge, No. 28, for \$57, which it claims to have paid Bro. Clayton E. Cox, a member of Delphi Lodge, No. 28, in good standing, while living in the jurisdiction of Sheridan Lodge, No. 691, on account of sick benefits due to Bro. Cox. Delphi Lodge has made its answer, but there is no evidence on either side submitted to your committee by which we can arrive at a correct conclusion in the case. We therefore recommend the adoption of the following:

Resolved, That the case of Sheridan Lodge, No. 691, against Delphi Lodge, No. 28, together with all papers therein, be referred to a commissioner, to be appointed by the Grand Master, who shall proceed to notify said Lodges respectively when and where he will

hear the evidence offered by either Lodge. He shall thereupon take the evidence, reduce the same to writing, and refer his finding thereon to the next session of this Grand Lodge.

To the Grand Lodge, I. O. O. F., of Indiana :

In the case of Aaron Chamberlain *vs.* Grand Prairie Lodge, No. 164, the record shows that appellant was tried and expelled upon a charge of failing, neglecting and refusing to provide for his wife.

Two grounds of appeal are stated :

1. Insufficiency of the charge.
2. Refusal to allow accused to testify as to the cause of such failure.

Your committee believe that the charge was insufficient for the reason that it did not charge that such refusal was without cause. But we do not rest this opinion upon that alone. Upon the trial the Lodge contented itself with simply showing the fact of such failure, without in any way attempting to show the cause thereof. In his defense appellant offered to show the reason why, but all evidence on this subject was excluded by the Trial Committee. This was error. If appellant had just grounds to part from his wife, or for any cause had good grounds for his refusal to provide for her, he was entitled to be heard. To say the least of it, he was entitled to show all the circumstances surrounding the case in mitigation of his supposed offense.

We therefore offer the following :

Resolved, That this appeal be sustained; that a new trial be granted, and that future proceedings herein, if any, shall be had in accordance with this opinion.

To the Grand Lodge, I. O. O. F., of Indiana :

S. J. Hinkle *vs.* Saratoga Lodge, No. 703.

Your Committee on Grievances and Appeals to whom was referred the grievance of S. J. Hinkle against Saratoga Lodge, have had the same under consideration, and, from the record, find that the brother was fined by his Lodge for not responding to a call by his Lodge to watch with a sick brother.

Brother Hinkle claims he ought to be relieved from that duty for the reason, as he alleges, that two members of his Lodge agreed in his stead to relieve him of that duty whenever his turn came in rotation on the roll.

He neglected to watch when his Lodge notified him, and the matter seems to have been duly investigated by his Lodge, which found the excuse and reasons urged by him insufficient and fined him.

A Lodge has no right to fine a brother without a charge and trial, but in this case the record shows that an investigation was had, and after such investigation the fine was made.

We can not disturb the finding of the Lodge. Inasmuch as they took the evidence we must assume that the evidence justified the finding. The evidence is not in the record, except as shown by the grievance and answer of the Lodge and the record.

Under such circumstances, we must presume the action of the Lodge correct. We therefore recommend that the grievance and appeal of Brother Hinkle be dismissed.

OPINION BY J. B. COCKRUM, G. REP.

To the Grand Lodge, I. O. O. F., of Indiana :

Adam W. Meek *vs.* Hudson Lodge, No. 692, I. O. O. F.

Your Committee on Grievances and Appeals, to whom was referred the case of Bro. Adam W. Meek against Hudson Lodge, No. 692, I. O. O. F., submit the following report :

In this case charges were presented to the Lodge against Bro. Meek on the 14th day of September, 1894, and were referred by the Noble Grand to an Investigating Committee, which Investigating Committee reported reasonable grounds for the charges and preferred the same in the name of the committee. The charges were:

1. That Brother Adam W. Meek, at a special meeting of Hudson Lodge, No. 692, I. O. O. F., on Thursday evening, September 13, 1894, did enter the reception room of said Lodge in a maudlin or intoxicated condition and attempt to work his way into said Lodge; failing in this did then and there use profane and boisterous language.

2. That Bro. Adam W. Meek, on the evening of September 13, 1894, did use profane and boisterous language on a public street in Hudson, Steuben county, Indiana, while in a maudlin or intoxicated condition.

Upon these charges being presented the Noble Grand appointed a Trial Committee. The accused was regularly notified and furnished with a copy of the charges, and the time for the trial was fixed for October 3, 1894, at two o'clock p. m., at the Lodge Hall of Hudson Lodge, No. 692. At the time Bro. Meek appeared before

the committee and pleaded guilty to the charges as made. He submitted his plea of guilty in writing, and the committee appointed, after considering his plea, found both charges sustained, whereupon they made their report to the Lodge accordingly, and, on the Lodge night of October 18, 1894, the Noble Grand of the Lodge announced the consideration of the report in order and thereupon the Lodge voted by slip ballots, to sustain the finding of the Trial Committee, and the Lodge then voted by slip ballots, on the highest penalty, expulsion, which resulted fifteen in favor of expulsion and four against, and the defendant, Bro. Adam W. Meek, was declared expelled. And from such action and decision of the Lodge in his case, Bro. Meek prosecutes his appeal to the Grand Lodge, and submits his written statement of appeal to the Grand Lodge, which has come to your committee.

The reasons assigned for an appeal are:

1. That the trial was irregular from the beginning, and the Constitution and By-Laws governing such proceedings were wholly disregarded.

In this contention your committee can not concur. The proceedings were entirely in conformity with the general laws, and your committee do not find that the first specification as cause for appeal is sustained.

The second assignment of appeal is that citizens that were not members of the Order were cognizant and apprised of the proceedings to be had in said Lodge in relation to the charges preferred against Bro. Meek prior to the time the said charge was heard in the said Lodge.

Of course this is a matter that should not have been given any prominence at all, and the Lodge certainly took no action as a Lodge by which the fact became public, and therefore, it could not be charged against the Lodge as a body that such an action was any cause of irregularity upon the trial. The members of the Order who thoughtlessly said anything about the trial being had upon any such charges, if they did so, acted very wrongfully toward Bro. Meek and toward their Lodge, but such action is not a matter that can be taken advantage of in the consideration of this appeal.

The third assignment of appeal is that the members that preferred the charges did, before the vote was taken to determine the guilt or innocence of the accused, solicit, influence and request Bro. Charles Parnell and others to vote to expel the accused.

Whether this be true or not, there is nothing in the record to show the truth or falsity of the position assumed, and the bare charge made as a cause for appeal of course will not be considered by your committee. There is nothing in this specification of appeal that entitles the claim of Bro. Meek to any consideration.

The fourth assignment is that an accurate vote was not taken and counted by said Lodge on sustaining the decision of the Trial Committee and that said vote was taken by and on paper slips, and that the same was not tallied when taken, but that after said count, on demand of members of the said Lodge, all of said paper slips that could be found were re-counted and then tallied.

This assignment of irregularity and as cause for appeal of this case to the Grand Lodge has been considered by your committee. The law upon the subject of voting upon questions of this charac-

ter is that the vote must be had by ballot. The vote on the decision of the Trial Committee was properly taken, and therefore this charge is no cause for a reversal of this case.

The fifth assignment for the appeal of Brother Meek, is that when the vote was taken to expel the said member, paper slips were used for ballots, one member of said Lodge writing and making the ballots on slips for several other members of said Lodge to vote, aside from himself.

Paper ballots could be used to vote upon this question, and there was nothing wrong in one member writing and making ballots for other members to vote. The law upon this subject is that the ballot must be had upon the question of punishment, including the question of whether or not the Lodge will expel a member, but the kind of ballots is not mentioned, whether by ball ballots, paper ballots, or slip ballots as in this case, so that the action of the Lodge in this behalf was correct.

There are several other charges set out in the statement of appeal of Brother Meek, which your committee do not deem it advisable to take up the time of the Grand Lodge to cite, or to recount, for the reason that the record does not show facts to base them upon so that we come to the conclusion at this time that the appeal in this case must be dismissed.

Your committee therefore recommend the following :

Resolved, That the appeal of Brother Adam W. Meek against Hudson Lodge, No. 692, I. O. O. F., be dismissed.

W. H. Fisher vs. Johnson Lodge, No. 76.

Your Committee on Appeals, having carefully considered the appeal of Johnson Lodge, No. 76, from the Committee of Past Grands, find that on November 9, 1894, Bro. W. H. Fisher received a cut on his left hand that nearly severed the thumb from his hand. He applied to his Lodge for benefits. The Relief Committee, after investigating his case, reported adverse to allowing the claim. Bro. Fisher then appealed to a committee of Past Grands, who were properly appointed; time was set to hear the case, the committee met, and the only evidence introduced was that of Bro. Fisher and the physician's certificate, which certificate and his evidence show that he was entirely unable to use his left hand for any purpose. Bro. Fisher was working as a hand in the meat-market of his son, and says he was in the shop every day, but was unable to do any work, except when a customer came to the shop, if there was meat cut such as they wanted, he could weigh it for them. As a compen-

sation for his remaining in the shop he took what meat his family used. There is nothing to show that he received any other compensation. The Committee of Past Grands considered the case, heard the evidence and reported, finding Bro. Fisher entitled to three weeks' benefits, \$15. From their decision Johnson Lodge appeals to this Grand Lodge. That while it is true that Bro. Fisher's affliction was not of such a nature as to confine him to his house, it was of such a nature as to totally disable him from doing any work that required both of his hands to perform it. We therefore offer the following:

Resolved, That this appeal be dismissed and the report and finding of the Committee of Past Grands be affirmed, and Johnson Lodge directed to pay the amount of this claim.

Thomas Williamson *vs.* Utilis Lodge, No. 260.

Your Committee on Grievances and Appeals report that they have examined the papers in this case, and find the following facts in substance:

Utilis Lodge, No. 260, at one time passed a by-law and submitted the same to this Grand Body for ratification. This Lodge decided that the by-law in question was one beyond the power of a Subordinate Lodge to enact. Again the Subordinate Lodge passed a by-law, embodying in it the substance of what the Grand Lodge had ruled could not be enacted. Bro. Williamson appealed from the action of the Lodge. The papers sent up are signed by the appellant, Thomas Williamson, alone, and not in any official capacity, and without a certificate of the Secretary and seal of the Lodge. We can give this case no further consideration for the reason,

1. That "the Grand Lodge shall not have jurisdiction of any grievance by petition, memorial or otherwise which shall not have first been presented to and acted upon by the Subordinate Lodge interested or involved in the matter."

2. The papers are not certified by the Noble Grand and Secretary, and authenticated by the seal of the Lodge.

We therefore recommend that this appeal be dismissed.

*To the Grand Lodge, I. O. O. F., of Indiana :*G. B. Havens *vs.* Warrick Lodge, No. 379.

Your Committee on Grievances and Appeals to whom was referred the appeal of Bro. G. B. Havens from the action of Warrick Lodge, No. 379, in expelling him, have had the same under consideration. We find that Brother Havens was charged by a committee—

1. That he converted to his own use Lodge funds while Permanent Secretary.

2. Pasturing on a lot belonging to the Lodge.

3. Improper language used in the course of debate.

4. Falsehood.

5. Dishonesty toward a person not a member of the Order.

Upon this charge he was tried, he having admitted the truth of the second.

The Trial Committee sustained the first charge, the second sustained in part, the third charge sustained, the fourth not sustained, and the fifth was dismissed.

We find that the evidence under the first charge of converting to his own use the money of the Lodge consisted of his being short in his accounts as Permanent Secretary, about \$2.00. This shortage was found by the Auditing Committee, and Brother Havens promptly paid it, and we are unable to find, from the evidence, any intention upon the part of Brother Havens to willfully wrong the Lodge.

The evidence under the second charge shows that Brother Havens did pasture a horse on a lot that the Lodge owned, but the committee finds that such pasturing did the lot no damage.

The evidence under the third charge shows that the improper language used was language used in debate in the Lodge meetings, or in conversations while the Lodge was not in session. We have carefully read all the evidence, and find no language used which would warrant expulsion from the Order. The members had heated debates, and strong language was used on both sides, and, besides this, certain reports had been, it seems, circulated on the outside of the lodge-room about Brother Havens, reflecting on his honesty; at least Brother Havens heard such, and this exasperated him, and probably caused him to be more intemperate in his language than he otherwise would have been.

The fourth charge was not sustained.

This statement seems to be a fair abstract of the points shown by the evidence.

While your committee always feel disposed to uphold the verdict and findings of trials in Lodges, yet the membership of a brother in our Order is too sacred to be taken from him unless he is properly convicted of some offense against the Order.

The evidence is so meager that it is doubtful whether it shows any real offense. Certainly it is not strong enough to warrant the visitation on him of the highest penalty known to our Order.

We fear that the disputes and wrangling in the Lodge prior to the trial, placed some of its members in a prejudiced frame of mind against the accused, and operated against a fair trial.

We can not sustain this judgment.

We therefore offer the following :

Resolved, That the appeal of Bro. G. B. Havens from the action of Warrick Lodge, No. 379, in expelling him, be sustained, and the action of the Lodge reversed, and that Bro. Havens be restored to membership.

To the Grand Lodge, I. O. O. F., of Indiana :

Rossville Lodge, No. 183, I. O. O. F., vs. John J. Fisher.

Your Committee on Grievances and Appeals, to whom was referred the appeal of Rossville Lodge, No. 183, I. O. O. F., against Bro. John J. Fisher, submit the following report :

This is an appeal from the action of a Committee of Past Grands upon a claim for benefits presented to the appelland, Rossville Lodge, No. 183, by Bro. John J. Fisher. His claim was presented for benefits from August 29, 1894, to September 29, 1894, and the same was rejected by the Lodge and an appeal was taken to a Committee of Past Grands, the Lodge selecting P. G. W. A. Morris, and Bro. Fisher selecting P. G. W. H. McGuire, and the two so selected selecting P. G. W. G. Morris, all of Frankfort Lodge, No. 103, to try the case.

On the 20th day of December, 1894, the committee met at the hall of Rossville Lodge, No. 183, and examined the witnesses. After considering all of the case the committee made the following report :

"We, the committee selected to hear the appeal case of Bro. John J. Fisher against Rossville Lodge, No. 183, would make the following report: We find that Bro. Fisher's disability commenced August 29, 1894, and that the Relief Committee was formally notified about October 13, 1894. Section IX, Article 4, By-Laws of Rossville Lodge; also, Section VII, Chapter 4, General Laws of Indiana, provide that no claim for sick benefits shall be allowed for a longer period than four weeks prior to such notice being given. It has been proven that Bro. Fisher was unable to follow his usual vocation or to earn a livelihood from August 29, 1894, to September 29, 1894. Therefore, benefits should commence four weeks prior to notice, or September 15, 1894, and end at termination of sickness, September 29, 1894.

"We are, therefore, of the opinion that the action of the Lodge should be reversed and that Bro. John J. Fisher be allowed two weeks' benefits. Respectfully submitted in F., L. and T."

Signed by the committee.

The testimony in the record tends to support the action of the committee and we think the committee was justified in its conclusion upon the evidence.

When the report made by the committee was submitted to the Lodge, a motion was made that it be received and placed on the minutes, which motion prevailed, and thereupon a motion was made that the Lodge appeal to the Grand Lodge of Indiana from the decision of the committee selected to try the case, and that the Secretary make out the necessary transcript and forward the same to the Grand Lodge, which was done.

The action of the committee of Past Grands in this case is thoroughly sustained and justified by the evidence, and your committee is of the opinion that an injustice would be done both to Brother Fisher and to Rossville Lodge, to disturb the action of the Past Grands' Committee. We therefore offer the following:

Resolved, That the appeal of Rossville Lodge, No. 183, I. O. O. F. against Brother John J. Fisher be dismissed and that the action of the Past Grands' Committee, selected by the Lodge and Brother Fisher, be in all things approved, and Rossville Lodge be, and the same is hereby directed to pay to Brother Fisher the benefits found to be due to him by the Past Grands' Committee aforesaid.

Ashboro Lodge, No. 251, *vs.* Center Point Lodge, No. 700.

Your Committee on Grievances and Appeals, to whom was referred the grievance and claim of Ashboro Lodge *vs.* Center Point Lodge, have considered the same, and find from the papers that Center Lodge filed some sort of a charge against Ashboro Lodge, and a Special Deputy was appointed to investigate the same, and such proceedings were had as that the Special Deputy found no merit in the charge, and dismissed it.

It seems that Ashboro Lodge brought some seven witness a distance of several miles, for the purpose of giving testimony. Now Ashboro Lodge claims that Center Point Lodge should be compelled to pay fees and mileage of these witnesses, together with the services of the secretary in making the service, etc., and prays this Grand Lodge to compel by mandate such payment in the total sum of \$15:65.

While your committee believes there ought to be a law to tax costs in such a case against the losing party, yet we know of no law authorizing or warranting it under our laws at the present time. We, therefore, recommend that the claim be dismissed.

Daniel Emery *vs.* Oakland Lodge, No. 534.

Your Committee on Appeals, to whom was referred the papers in the case of appeal of Daniel Emery *vs.* Oakland Lodge, No. 534, having carefully examined all the papers in this case, find that John W. Teal was initiated in Oakland Lodge March 15, 1878, and that on September 27, 1882, he applied for and received the three degrees as per our present work, and they were conferred on him without fee. At the May session of this Grand Lodge, 1882, the following resolution was adopted (see page 1743 of this Grand Lodge), as follows:

Resolved, That all Lodges in this jurisdiction have the privilege to confer the three degrees upon all initiatory members who apply for the same within three months from July 1, 1882, without fee." This brother applied for the degrees September 27, 1882, which was within the three months specified, consequently he was entitled to receive the degrees without fee. It seems that lately a controversy has arisen among the members of Oakland Lodge about the payment of the degree fee, and Bro. Teal has offered to pay to the Lodge five dollars, provided the Lodge would give him a receipt in full for those degrees; and this proposition the Lodge has accepted and agreed to, and from this action Bro. Emery appeals, and from this appeal your committee offer the following:

Resolved, That this appeal be dismissed and the action of the Lodge be affirmed.

To the Grand Lodge, I. O. O. F., of Indiana:

Aaron B. Templeton vs. Capital Lodge, No. 124.

Your Committee on Grievances and Appeals, to whom is referred the appeal of Aaron B. Templeton against Capital Lodge, No. 124, I. O. O. F., submit the following report:

In this case charges were presented on the 2d day of November, 1894, by an Investigating Committee, pursuant to the requirements of the General Laws, charging Bro. Templeton with conduct unbecoming an Odd Fellow, specifying therein certain statements and charges of public indecency on his part, the particulars of which we do not deem it necessary to set out in this opinion.

The Noble Grand thereupon appointed a Trial Committee, to whom the charges were referred, and subsequent thereto a trial was had, and the finding of the committee was to the effect that one of the specifications set out in the charges was sustained and the other specification was not sustained.

The specification that was not sustained was a specific charge of indecency at a particular time in the presence of particular persons, the names, circumstances and facts concerning which we do not deem necessary to set out at length in this opinion.

The charge that was sustained was that on or about the 11th day of October, 1894, the appellant was tried and found guilty in the Police Court in the city of Indianapolis of the crime of public indecency, which charge the evidence in the record fully sustained.

We do not need to set out the evidence of the particular witnesses, nor to set out at length the finding of the Police Court, but submit that it is true that the brother was charged upon affidavit in the Police Court with the crime stated in the specifications, and was found guilty in that court and sentenced to pay a fine of twenty-five dollars (\$25 00) and costs, which fine was replevied and paid.

The evidence of certain witnesses in the record is to the effect that the finding upon the charge in the Police Court is correct, as several testified to certain acts which would go to show that the offense had been committed as charged.

The grounds of appeal, as stated in the statement signed by the appellant, in the opinion of your committee are not valid, and we do not deem it necessary to take up the time of the Grand Lodge or incumber the record with setting out at length any of the specific allegations of appeal.

We find that this case has been fairly tried, and the judgment of the Lodge is that the offense committed by the brother, for which he was found guilty, was sufficient to expel him from the Order. In this judgment your committee fully concurs, and we believe the evidence sustains the finding, the conclusions of the committee and the Lodge, and further that the proceedings upon the trial were all regular, and that this appeal should be dismissed. We therefore recommend the following:

Resolved, That the appeal of Bro. Aaron B. Templeton against Capital Lodge, No. 124, I. O. O. F., be dismissed and that the action of Capital Lodge in this behalf be in all things affirmed.

Indianapolis Lodge, No. 465, *vs.* George W. Bone.

Your Committee on Grievances and Appeals to whom was referred the appeals of Indianapolis Lodge, No. 465, from the action of a committee of Past Grands in awarding Bro. Bone one week's sick benefits, have had the same under consideration.

We find that the brother claimed benefits for three weeks, but his Lodge refused to allow him any part of it, whereupon a committee of Past Grands was duly appointed, and after taking much testimony, awarded him one week's benefits.

Your committee have read over the evidence and we can not say that the award of the committee was wrong.

The Past Grands heard all the evidence carefully, saw each witness face to face, and could thereby judge best as to the credit to be given to each and all, and your committee believe that their finding should not be disturbed; furthermore the appeal is very irregular, as there is no statement of appeal nor any reasons given why the finding should not be sustained, and for this reason alone if none other existed, this appeal must be dismissed, but for the reasons first set out we think the finding of the Committee of Past Grands should be approved.

We therefore recommend that the appeal be dismissed, and the award of the Committee of Past Grands be approved.

To the Grand Lodge, I. O. O. F., of Indiana :

John Vanzant *vs.* Richmond Lodge, No. 254.

Your Committee on Appeals have examined the papers in the case of appeal of Richmond Lodge, No. 254, *vs.* a Committee of Past Grands. This is a case in which Bro. John Vanzant filed a claim in his Lodge for two weeks' benefits, with a physician's certificate of

his disability. The Relief Committee investigated his claim and reported adversely to allowing his claim, after which Bro. Vanzant asked an appeal to a committee of Past Grands, and he selected Past Grand C. E. Newman, of No. 41; the Lodge appointed Past Grand Jepe. H. Brooks, of No. 212, and they selected Past Grand C. A. Bartel, of No. 199. The committee organized with C. A. Bartel as Chairman and C. E. Newman as Secretary, who also acted as attorney for Bro. Vanzant. The Lodge appointed A. K. Deets as the attorney for the Lodge. The committee met, heard the testimony, which was reduced to writing, and we have had the evidence before us. Bro. Newman, on behalf of Bro. Vanzant, presented a statement that Bro. Vanzant made to him (Bro. Newman), and asked that it be taken as evidence. Bro. Deets, the attorney for the Lodge, objected to its being received as evidence, for the reason that the Lodge had no notice of such a statement being made and therefore had no opportunity to question Bro. Vanzant in regard to this statement. The Committee of Past Grands overruled this objection and did receive that statement as evidence. This, your committee think, was an error. Bro. Vanzant should have been present and given his testimony in person; or the Lodge should have had the privilege of being present when that statement was made by Bro. Vanzant, so that they might have had the privilege of knowing what that statement was before it was presented. The next evidence, and, in fact, the only evidence produced by Bro. Vanzant, was the certificate of J. S. Harold, M. D., which is as follows: "This is to certify that I examined John Vanzant on September 16, and found him suffering from chronic enlargement of the liver, feeble circulation with general prostration, and that he has been unable to perform manual labor from that time to this, September 16 to 30." Bro. Vanzant, as it is shown, owned a small farm, on which he kept some cows and horses, etc. His folks make butter and he takes it to Richmond and sells and delivers it to his customers. A number of witnesses testify that he, Vanzant, said, at all times when visited, that he all the time fed his cows and horse, cleaned out his stable and performed such other chores as were necessary to be done. Bro. W. A. Johnson testified that he had bought his butter of Bro. Vanzant for three or four years, and that Bro. Vanzant delivered butter to him every week for which he claims benefits, and he did not know that he was sick. The Noble Grand, Vice-Grand and Secretary visited him, and also the doctor that made the above certificate, and they all testify that the doctor said that he knew Vanzant was a farmer and that he was able to conduct his business and do such work as was necessary for him to do. Your committee do not wish to be misunderstood. We have not weighed the evidence in this case, but fail to find any evidence that would sustain the findings. We therefore offer the following:

George W. Pitts vs. Philoxenian Lodge No. 44, I. O. O. F.

Your Committee on Grievances and Appeals, to whom has been referred the Appeal of Bro. Geo. W. Pitts, against Philoxenian Lodge, No. 44, submit the following report:

The case is an appeal from the action of a committee of Past Grands, appointed as provided in Section 15, Chapter IV of the General Laws, to try the question of whether or not Bro. Pitts was entitled to benefits from the Lodge from August 17, 1894, to October 10, 1894, amounting to \$40. The committee of Past Grands were selected at the request of Bro. Pitts, and was composed of members of three different Lodges, none of them members of Philoxenian Lodge. After a fair trial the committee of Past Grands found that Bro. Pitts was not entitled to the benefits claimed. From this decision the present appeal is prosecuted. The grounds of appeal most strongly urged by Bro. Pitts are, (1) that the finding of the committee of Past Grands was contrary to law, and (2) that the finding of the committee of Past Grands is contrary to the evidence. Your committee have carefully gone over the record, and have heard the argument offered by both parties, and after a full consideration we can find no reason to disturb the action of the committee of Past Grands. This Grand Lodge has repeatedly decided, and the decisions have been for many years acted upon, that it will not reverse the action of a Past Grands' committee when there is evidence in the record to support the finding of such committee. In this case there is abundant evidence to sustain the Past Grands' committee, and your committee recommend the adoption of the following:

Resolved, That the appeal of Bro. Geo. W. Pitts against Philoxenian Lodge, No. 44, I. O. O. F., be dismissed.

To the Grand Lodge, I. O. O. F., of Indiana :

Your Committee on Appeals makes the following report in the case of Bro. M Gish vs. Covington Lodge, No. 21 :

Appellant prosecutes this claim for benefits before a committee of Past Grands, which committee found that appellant was entitled to nothing.

The record on appeal is quite informal, but, as no objection has been made thereto, and it sufficiently appears therefrom what the controversy is, we have concluded to give our opinion on the matter.

Appellant joined said Lodge more than twenty years ago, but never advanced farther than the Initiatory Degree. When he applied for the degrees, years ago, the Lodge refused to advance him upon the grounds that at initiation he had represented that he was in good health, when, in fact, he was then in bad health. But he has remained an initiate member of said Lodge ever since, no steps having been taken to revoke his membership for that, or any other cause. The Lodge contested this claim for benefits upon the sole ground of such alleged fraudulent representations at initiation, and did not introduce any proof upon the subject of his actual condition during the period for which benefits were claimed, and, we must assume that the committee of Past Grands decided for the Lodge upon the ground thus assumed by it, for there can be no doubt, under the evidence in this record, that appellant was entitled to benefits unless debarred by such alleged representations. But, under the decisions of the Sovereign Grand Lodge, as well as those of this Grand Body, the Lodge can not successfully defend this case upon the ground assumed by it. For many years the Lodge has known of such representations, because when the degrees were applied for the Lodge refused on account thereof. It was then the duty of the Lodge promptly to cause charges to be preferred and his membership severed. Having knowledge of the supposed fraud, and failing to take steps promptly for its relief therefrom, the Lodge must be held to have waived the same. And now, when appellant has grown old in years, and after twenty years have elapsed since the supposed representations were made, the Lodge can not be permitted to urge them in defense of a claim for benefits.

May 1881, p. 1439.

We therefore offer the following :

Resolved, That this appeal be sustained; that the finding and judgment of the said Past Grands' committee be set aside, and that any further proceedings herein shall be had and taken in accordance with this opinion.

A memorial from Bro. Alpheus Morris has been referred to your committee. It asks for an opinion concerning his rights to further benefits from Greencastle Lodge. We have concluded to answer it, but of course this opinion can not be binding on said Lodge, for it has not had notice.

Bro. Morris prosecuted a claim for benefits against said Lodge; the case was here one or more times, and finally went to the Sovereign Grand Lodge. Eventually all matters growing out of such claims were settled by agreement of the parties, and the Lodge paid the sum agreed upon.

With this Bro. Morris must be content. We know of no way to open the matter up, nor any reason why it should be opened up, and we therefore ask to be discharged from the further consideration of this matter.

To the Grand Lodge, I. O. O. F., of Indiana :

Your Committee on Appeals, in the case of Charles Mund *vs.* Moltke Lodge, No. 674, report as follows :

The charge in this case recited that on the 14th day of November, 1894, the Circuit Court of Lake county handed down a judgment in the case of the State of Indiana against appellant, wherein appellant was fined \$100.00, sentenced to jail for five days and disfranchised for one year.

This charge was quite informal in that it only pleaded the evidence, whereas it should have charged the accused with the crime. To this charge appellant pleaded guilty, with some reservations, and on that he was expelled.

If the case stood alone on the above facts, we would not feel warranted in reversing the judgment. But there has been filed with us the official statement of the D. D. G. M. of that district, to the effect that the result of this case was not satisfactory to the Lodge, and we have concluded that justice will be best subserved by granting a new trial, when all parties may have a fair and impartial hearing, and we therefore offer the following :

Resolved, That this appeal be sustained; that the Lodge have leave to prefer new charges, if it desires, and that any further proceedings herein shall be had and taken in accordance with this resolution.

OPINION BY GEO. SHIRTS, G. REP.

To the Grand Lodge, I. O. O. F., of Indiana :

Your Committee on Appeals have examined the case L. H. Willis *vs.* Sullivan Lodge, No. 147, and beg leave to report :

Charges were preferred in said Lodge against the appellant on the 19th day of January, 1894, for assault and battery with intent to kill one Wm. C. Hultz, and, in another paragraph charging him with the murder of said Hultz.

A Trial Committee was duly appointed, and the 9th day of February, 1894, was set for the day of trial.

Upon notice given to the accused, he failed to appear at the trial, and the Trial Committee so reported to the Lodge, without having taken any evidence whatever upon the merits of the case.

Thereupon, a new investigating committee was appointed, who reported charges against appellant for contempt in failing to appear and answer at said trial on February 9, and, on notice of trial upon said last named trial, appellant again failed to appear, and for these reasons alone, he was tried and expelled for contempt.

It appears, without any dispute whatever, that the killing, which was the subject of this controversy, occurred on the 24th day of December, 1893, and that appellant was at once arrested and thrown into the Sullivan county jail, and duly indicted for murder in the first degree, under which charge, of course, he could not be admitted to bail. He was afterward transferred to the jail in Knox county, where said criminal case had been sent on change of venue, in which jail he remained until September 20, 1894, at which time his trial for said alleged offense was concluded, resulting in his acquittal of said charge and release from imprisonment. From his long imprisonment he was worn in body and mind, his farm and property needed his attention, and time was required to straighten out his financial affairs owing to the expense incident to his trial and his enforced absence from his business.

We are met at the threshold of this case with a motion to dismiss this appeal on the ground that the appeal was not taken within the time required by the law.

Section 15, Chapter XI, General Laws, provides that such appeal shall be taken to the next session of the Grand Lodge, if possible. It will thus be seen that the law does not absolutely cut off an appeal if not taken to the next session, but leaves, for the decision of every case, the question whether the failure to appeal is justified by the circumstances.

The Lodge does not contend in this case that appellant lost his right to appeal on account of not bringing the case here in May, 1894, because it admits that appellant was then in prison. But it does contend that, appellant having been released September 20, 1894, that the appeal is barred because not taken to the November session, 1894. But your committee think otherwise. We believe that, under the extraordinary circumstances of this case, appellant's long confinement, his trial for his life, and the consequent derangement both of his physical nature and his financial affairs, that he ought not to be denied the privilege of a hearing in the Grand Lodge.

We are the more inclined to this opinion for the reason that we believe he was not properly nor justly expelled from his Lodge.

As above shown, at the time the first charge was presented against appellant he was incarcerated in the county jail, and he was likewise so confined at the time of his expulsion. But his trial in the State court, on the charge of murder, had not taken place, and it was not proper to require him to disclose his defense thereto, nor any part thereof, in a trial in the Lodge for the same offense. It is true the evidence shows that the sheriff was willing to take the accused to the lodge-room to attend these trials, but under such cir-

cumstances it is manifest that the accused would have stood upon an unequal footing. Besides this, in the State law, a party accused of crime can not be required to testify, nor can his refusal to do so be commented upon by the State, much less be made the foundation for an action for contempt. Our laws provide that in cases not provided for in our laws the laws of the State shall apply, and, we think, in cases such as this, it ought not to be held that the accused should be required to answer, or show cause, or take any steps in a proceeding in the Lodge in advance of his trial in the civil courts.

We are the more inclined to this view where, as here, after a regular trial in the courts, where eminent counsel on both sides have been employed, the accused has been entirely exonerated from the terrible crime charged.

We are, therefore, of opinion that it was not contempt for the accused to fail to appear at these trials, under the peculiar and extraordinary circumstances disclosed by this record, and that his expulsion from the Order on account thereof should not be allowed to stand, and we offer the following:

Resolved, That this appeal be sustained; that the judgment of expulsion herein be set aside and that appellant be restored to membership in his Lodge.

To the Grand Lodge, I. O. O. F., of Indiana :

Reuben Koontz *vs.* Greensboro Lodge, No. 247, I. O. O. F.

The Committee on Appeals, to whom was referred the above-entitled cause, report as follows:

Brother Reuben Koontz had his index finger cut in an effort to remove a fruit can from the hoof of his cow. The wound was a painful one, and prevented the brother from performing all the duties of his trade, that of carpenter. Brother Koontz filed a claim in the Lodge for two weeks' benefits. The Lodge refused to pay, and an appeal was taken to the Committee of Past Grands. The result of the trial was that the committee denied the benefits claimed, and allowed Brother Koontz nothing for his disability. An appeal was properly taken.

If the Committee of Past Grands had decided this cause the other way we would not feel, under the evidence, like recommending that such a decision be disturbed. There is evidence tending to support the finding of the committee, and this being the case, under the well settled rule of this Grand Lodge, we can not disturb the finding; to do so would constitute the Lodges judges of the weight of the evidence and the credibility of the witnesses.

Brother Koontz makes complaint in his grounds of appeal that the evidence is imperfectly set out in the record, and does not disclose the burden of what the witnesses testified to. We are in-

clined to believe that this complaint is well founded. The evidence is given in narrative form, and professes to be only the substance. But Brother Koontz did not take any steps in the Subordinate Lodge to have the record corrected and perfected. He only assigns it as a ground of appeal. If he would have the record different, or fuller, or more perfect, he ought have looked after it below, and if denied a completer record, then, by a proper showing, this body could have ordered all the proceedings here for review. We do not understand that there is more record in this case than is before us. It may be not much of the evidence was taken. Of this we can not say. We therefore recommend the following :

Resolved, That the appeal of Brother Reuben Koontz be dismissed.

E. G. Coverdale *vs.* St. Mary's Lodge, No. 167.

Your committee begs leave to report on this case as follows :

Bro. E. G. Coverdale, a member of St. Mary's Lodge, No. 167, filed in said Lodge a claim for benefits. The Lodge disallowed the claim, and an appeal was taken to the Committee of Past Grands. The committee heard the evidence and reported that Bro. Coverdale was not entitled to benefits. Bro. Coverdale appeals from the decision of the Past Grands, and assigns as grounds of appeal that the finding is not warranted by the evidence.

We have read the evidence in this case over carefully, together with the briefs of counsel, and find that there is evidence tending to sustain the finding of the Past Grands. The evidence is conflicting. The witnesses were before the committee. They saw their manner in testifying, and are better able to judge of the weight of the evidence than are we. In this state of the case we must be content with the finding of the committee.

Your Committee on Appeals, to whom was submitted the appeal of J. R. Sutherlin, D. D. G. M., from the Grand Master, submit the following :

The record in this case shows that one, H. C. Hobbs, applied for membership in Salem Lodge, No. 67. His application was referred to a committee, and that committee reported favorably, and the ballot being spread, the said Hobbs was declared elected. At a subsequent meeting of the Lodge the D. D. G. M., in a written order filed with the Lodge, set aside the action of the Lodge in electing said Hobbs to membership, and being again balloted on, he was rejected. The Lodge then, by unanimous vote, appealed from the decision of the D. D. G. M., and the Noble Grand appointed a committee of three brothers to make the appeal papers and "to fully inform the Grand Master of all the particulars regarding the ballot and action of the Lodge." Afterwards the committee reported that the Grand Master had reversed the decision of the D. D. G. M., and the committee was discharged. The D. D. G. M. appeals, and a properly certified record is sent up. We are asked to reverse the decision of the Grand Master. Your committee is at a loss to know what to decide in this case, as the decision of neither the D. D. or the Grand Master are given. We can not tell what the controversy is about, nor who is 'right or wrong. The D. D. G. M. sends a statement which accompanies the papers, showing the grounds on which he acted, but the decision of the Grand Master is nowhere given, and so we decide nothing on the merits of this appeal. We only say that no D. D. G. M. or Grand Master has any power to set aside the action of a Subordinate Lodge on electing a person to become a member.

We believe, however, it will be profitable to state in this connection what we believe to be the proper rule of practice in the decisions made by District Deputies and appeals therefrom to the Grand Master.

It ought to be remembered that it is not the province of the District Deputy or the Grand Master to pass upon questions of fact. Their decisions must be upon questions of law only, excluding all facts except such as may be necessary to present the question to be decided. Any contest involving a decision on the facts ought not be submitted to the Grand Master or District Deputy, nor ought he be called on to make a decision in such a case.

Fairview Lodge, No. 134, November, 1892, p. 1514.

Ex parte Washington Lodge, No. 11, May, 1893, p. 1658.

Section 8, Chapter XVIII, General Laws.

On page 80 of General Laws, under the head of "Redistricting the State," is the following provision:

"Resolved, That the D. D. G. M. shall be the medium of communication between the Lodges and the Grand Master on all questions of law, usage and custom of the Order arising in the Lodges; and it is hereby re-affirmed as the law of this Grand Body that the

Grand Master will not be required to decide questions of law, usage or custom of the Order arising in the Lodges, excepting on an appeal from the D. D. G. M."

These quotations from the law and the above citation of authorities plainly indicate that the District Deputy and the Grand Master pass only on questions of law.

As we conceive it, the proper method in these cases is for the District Deputy to make his statement and decision in writing, clearly indicating the law on the point made. This should be spread on the minutes of the Lodge in full. If the Lodge appeals from the decision of the District Deputy to the Grand Master, the only matter to go to the Grand Master is the statement of the District Deputy as recorded on the minutes, properly certified by the Secretary of the Lodge. No other matters or statement of facts should go to the Grand Master. When the Grand Master sends his decision to the Subordinate Lodge, that must be spread of record in full. If an appeal should then be taken from the decision of the Grand Master to the Grand Lodge, a certified copy of the decision of the District Deputy and, also, the decision of the Grand Master, together with the grounds of appeal, would constitute the record. In such a case no question of evidence could arise. No committee is necessary to prepare the papers on appeal. No statements, outside of what the minutes of the Subordinate Lodge ought to show, are permissible. It is purely a question of law, and this is the only matter the District Deputy or the Grand Master can properly decide. It is not proper for the District Deputy or the Grand Master to pass upon and decide controverted questions of fact. (Washington Lodge, No. 11, *supra.*) We, therefore, offer the following: *Resolved*, That the appeal herein be dismissed.

OPINION BY J. B. KIMBALL, P. G. REP.

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Appeals to whom was referred a letter which comes in the shape of a memorial of G. W. White, from the action of Mitchell Lodge, No. 242. This letter shows that G. W. White was expelled from his Lodge. He claims to have applied to his Lodge for a copy of the transcript of his Lodge in this case, and says his request has been refused. We have no answer from the Lodge, consequently give no opinion in this case; but we offer the following:

Resolved, That Mitchell Lodge, No. 242, be ordered to furnish to G. W. White a full transcript in his case and also allow him an appeal if desired, or show cause to this Grand Lodge why they do not do so.

OPINION BY J. B. KENNER, P. G. M.

To the Grand Lodge, I. O. O. F., of Indiana :

J. T. McShane vs. Carmel Lodge, No. 401.

Your Committee on Grievances and Appeals, to whom was referred the appeal of Bro. J. T. McShane, from the action of Zionsville Lodge, No. 285, in expelling him from the Order, have had the same under consideration.

We find, from an examination of the whole record, that this case, together with the former trials and proceedings connected with it, have been in the Lodges or Grand Lodge since the early part of 1892, and in order that the Grand Lodge may have the history of this case, and the facts as shown by the record, we will briefly set out the facts.

On the 21st of January, 1893, charges were filed in Carmel Lodge, No. 401, which, in substance, charged Bro. McShane with seducing the wife of a brother, John A. Haines. Bro. McShane was at that time a prominent physician, and resided at Carmel, in Hamilton county.

On or about the 7th of January, 1892, Dr. McShane was called to the house of said John A. Haines. Bro. McShane went, thinking he was called in a professional way. When he arrived he found John A. Haines and his wife there and no one sick, but Haines immediately charged him with seducing his wife. Dr. McShane at once became very angry and used some very strong language, and this language is the basis of the first charge in this case. Bro. McShane denied the charge made by Haines.

After the charges were filed in the Lodge, for seduction, the Secretary took a copy of them to Bro. McShane, to his office, and delivered them to him in the presence of his wife, and a number of the doctor's patients. This conduct of the Secretary, at the place and under the circumstances, greatly angered Dr. McShane a second time, and he again indulged in the strong and intemperate language that is set out in the second charge in this case now on trial. Bro. McShane used improper and violent language, but, after cooling down, he wrote out and sent to his Lodge a full apology.

The charge first spoken of, which charged Bro. McShane with seduction, came in for trial upon Carmel Lodge, and upon change of venue, was sent to Broad Ripple Lodge, and upon this trial he was found not guilty.

A civil suit was also brought in the Circuit Court, but Haines abandoned that.

We now come to the case now before us.

This case was first tried upon two charges:

The first charge set up that Bro. McShane when called to the house of John A. Haines, and charged by Haines of seducing his (Haine's) wife, used grossly vulgar and profane language in response to the charge made by Haines. The second charge is that when the Secretary delivered a copy of the charges to Bro. McShane, in the presence of his wife and several other persons not members of the Order, he renounced and denounced the Lodge and the Order in violent,

defamatory, profane and offensive language, and put the copy in the fire. These charges were preferred after the original charges of seduction had been tried, and not sustained.

A trial was had on these charges in Carmel Lodge, and the brother was expelled. There was an appeal to the Grand Lodge, and the action of the Lodge was reversed. (See Pro. of Grand Lodge, November, 1892, page 1469.)

After the case was sent back to Carmel Lodge, a change of venue was taken, and the case was sent to Sheridan Lodge for trial. A trial was had, and the brother was again expelled. An appeal was taken again to this Grand Lodge, and again it was reversed and sent back. (See Pro. of Grand Lodge, May session, page 1882.)

The case was returned to Sheridan Lodge, and by that Lodge returned to Carmel Lodge. The case slept there until the 28th of November, 1894. This was eighteen months after the Grand Lodge had reversed it the last time.

On the 28th of November, 1894, the case was sent by Carmel Lodge to Zionsville, and a trial had.

Many errors have been argued against the action of Zionsville Lodge in expelling Bro. McShane.

Your committee has carefully examined this record, and the evidence and proceedings in the case, and have heard able and full oral arguments in the case by attorneys on both sides.

The accused was notified when the case was sent to Zionsville Lodge, to appear and defend the case, and he appeared and filed a plea to the jurisdiction of Zionsville Lodge over this case or the accused, on the ground that the record in Zionsville Lodge in this case does not show that any investigating committee was ever appointed, and did actually prefer charges against him in this case.

We have carefully examined the record and find no appointment of an examining committee, whose duty it was to prefer charges. Therefore, so far as the record is concerned, none was ever appointed, and this Grand Lodge has decided again and again, under our present law, that unless charges are preferred by an investigating committee, no brother can be put upon trial, and unless the record shows this to have been done, Zionsville Lodge had no jurisdiction of the case or the person of the accused. The plea to the jurisdiction should have been therefore sustained, and it was error to overrule it.

After the plea to the jurisdiction was filed, the accused asked the right to sustain his plea by proof, and that the Trial Committee rule on the plea, but the committee refused to do either, but held the plea and compelled the accused to go to trial on the merits, and made up their report and sent the question of the validity of the plea to the jurisdiction, to the Lodge, along with the report on the merits.

We think this was error.

A Trial Committee has full power to decide all questions arising on the trial, and settle all preliminary motions and questions, before going to trial on the merits.

If the plea to the jurisdiction was a valid one, and could have been sustained, then no trial was necessary and could not legally be held.

Many other errors are alleged, and some of them, we think, are well taken, but inasmuch as we have taken the above views, your committee will not discuss all of them.

We now desire to give our views upon the case on its general features and the evidence.

It seems to your committee that the great persistency with which this case has been pressed after several reversals savors somewhat of persecution.

After Bro. McShane was acquitted of the charge of seduction by Broad Ripple Lodge, it would seem that the main charge was settled, and the hot, intemperate language of the brother growing out of this charge was only an incident of the main charge, and is accounted for by reason of a brother Odd Fellow charging him with a most serious and grave charge, of which he was innocent.

After Dr. McShane had been acquitted of the charge of seduction in Broad Ripple Lodge, out of which the charge in this case grew, and he had been practically acquitted of it in a civil court and given the manly apology to his Lodge which he did for his violent and angry language, it does seem that the principles of Odd Fellowship ought to have extended to him the principles of charity and brotherly love. But it seems that no apology or repentance on his part had any weight in this case.

We do not approve of the language used by the brother in any respect; it was angry and very intemperate, and wholly improper. But there are in this case, as this Grand Lodge has held similar language in other cases, extenuating and palliating circumstances for strong and intemperate language. See Proceedings of Grand Lodge of Indiana, November Session, 1890, page 756.

What would any brother probably do or say when another brother called him to his house and in the presence of his wife charged him with ruining that wife, such charge being wholly false, and on trial found to be false. We submit that most men would boil over, and one would be inclined to express himself strongly.

Then, again, when the Secretary of the Lodge presented copies of charges to the brother, in the presence of his wife and other persons, who were his patients and friends, it seems that either by intent or inadvertence it was intended to humiliate our brother in the presence of his wife and friends, and it is not to be wondered at that Dr. McShane became very much agitated, and for the moment lost control of himself, and used the very improper language which was used, but after he recovered his usual frame of mind he promptly and fully apologized to his Lodge.

We are fully of the opinion that, under these facts, it is excessive punishment to expel a brother who had always before been a good man, and has always been since.

The strong and intemperate language used by Brother McShane, in the presence of the Secretary, was hot, violent and profane, and we must condemn it, but, under the circumstances surrounding it, and provoked it, that there were extenuating and palliating circumstances, which after the apology did not warrant the extreme penalty of expulsion; besides this, your committee

does not regard that the evidence sustains the charge of renouncing the Order.

The brother did speak rashly about his Lodge, but it could not be construed to renounce the Order.

Brother McShane got the idea in his mind that the Lodge was under the influence of the Haines' and their friends' influence, and that they were persecuting him, and this fact called out the strong language by the brother against the Lodge.

That part of the charge which sets out that the brother burned the copies of the charges given him by the Secretary, was an improper charge.

We believe it was error not to strike out that part of the second charge, and it was error to hear evidence on that subject, for the reason that when copies of charges are given to a brother, they are the brother's property, and for his information, and he can do whatever he pleases with them, and if he destroys them, it is no offense against the Order.

It appears in this whole transaction that Dr. McShane has always borne the reputation of a good man, both before and since this trouble, besides being eminent in his profession. This being the case, should a case of mere contempt against his Lodge, for that is all that we can make out of this charge, expel a brother from our Order who has been an honored member for more than twenty years?

Your committee believe this case ought to be reversed, and inasmuch as Dr. McShane has been tried three times and compelled to spend time and money to defend himself, and inasmuch as he rendered a manly apology, we think this ought to be an end of this case. We therefore offer the following:

Resolved, That the action of Zionsville Lodge, in expelling Bro. J. T. McShane, be in all things reversed.

J. B. KENNER,
 ENOCH G. HOGATE,
 J. B. KIMBALL,
 J. B. COCKRUM.

The various reports were then considered, and the following unanimously concurred in, without debate: Nos. 935, 936, 937, 938, 940, 941, 942, 943, 944, 945, 946, 948, 949, 951, 952, 953.

The next report, No. 955, Indianapolis Lodge, No. 465 vs. George W. Bone, was then read and considered. The question of concurrence was discussed by Bros. Bartley, Percifield, Shideler, Kenner, Cockrum and others.

J. M. Bartley, P. G., then moved to refer the report back to the committee, with instructions to reverse the action of the Past Grands' committee and sustain the action of the Lodge.

Discussion ensued on the motion to refer back, and a vote was taken, which decided in the negative.

The report of the Committee on Grievances and Appeals was then concurred in.

Reports Nos. 956, 957, 958, 960, 947 were then considered and concurred in.

Report No. 950, L. H. Willis vs. Sullivan Lodge, No. 147, was taken up and made the special order for 1:30 o'clock, this afternoon.

W. H. DeWolf, P. G. Rep., from the Committee on the State of the Order submitted the following

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on the State of the Order, to which was referred so much of the Grand Master's report as relates to the Orphans' Home established at South Bend, beg leave to report that we have given the subject careful consideration, and from the documents submitted to us we believe the Home is a most worthy institution, and commends itself strongly to the minds and hearts of all Odd Fellows in this jurisdiction. It appears, however, to have been organized and incorporated as a merely local Home, without the sanction of this Grand Lodge, and therefore can have no legal claim against this body. And in the present condition of our treasury your committee can not see its way clear to recommend the Lodge to make an appropriation to aid the Home at this time, however much we might desire to do so under different conditions. Besides, the Lodges to whom the parents of the orphans now at the Home belonged are under legal obligations to maintain them. We are also informed that the organization of the "Odd Fellows' Home" contemplates the support of the orphans of the Order as well as of old and disabled and indigent members, and as it is expected that this Home will be in operation within a few months, we offer the following resolution:

Resolved, That it is inexpedient for this Grand Lodge to make an appropriation from its treasury to aid the Orphans' Home at South Bend.

Which, on motion, was concurred in.

On motion of W. H. Leedy, P. G. Rep., the Grand Lodge adjourned until 1:30 P. M.

MAY 22, 1895, 1:30 P. M.

The Grand Lodge re-assembled, pursuant to adjournment, at 1:30 P. M., Grand Master M. A. Chipman in the chair. The roll of Grand Officers was called and were noted present, same as at the morning session.

On motion, the reading of the minutes of the morning session was dispensed with.

J. E. C. F. Harper, P. G. Rep., submitted the following resolution :

Resolved, That annotation No. 42, under Sec. 4, Chap. IV, General Laws, be stricken out, and in lieu thereof the following be inserted :

42. If a brother has been sick thirteen weeks at the time a by-law is adopted reducing the benefits after thirteen weeks, or if he has been sick one year at the time the Lodge adopts a by-law reducing the benefits after one year's consecutive sickness, the reduction applies to such brother immediately, from and after the passage of the by-law. See proceedings G. L. of Indiana, November, 1888, pages 80 and 81; White's Digest, Secs. 27 and 28; also decision of Grand Master, November, 1891, page 1055.

Which was laid over under the rules.

The special order for 1:30 P. M., the further consideration of the report of the Committee on Grievances and Appeals, viz., No. 950, L. H. Willis vs. Sullivan Lodge, No. 147, was taken up. The report was read by Geo. Shirts, P. G.

John S. Bays, P. G., moved the following resolution :

Resolved, That the report of the Committee on Grievances and Appeals, in the case of the appeal of L. H. Willis from Sullivan

Lodge, No. 147, I. O. O. F., be not received, and that the case be referred back to said committee, and that they be instructed to sustain the action of said Sullivan Lodge and affirm their said finding in said case.

The question of adoption of the resolution was discussed by Bros. Bays, Shirts, Shideler, Cockrum and Leach. A vote was then taken and the resolution was declared lost. The report of the committee was then concurred in.

The following reports from the same committee were concurred in without discussion: Nos. 959, 954, 961.

J. B. Kimball, P. G. Rep., from same committee, called up the report in the case of the memorial of G. W. White from the action of Mitchell Lodge, No. 242 (found on page 2350, printed proceedings), and on motion the resolution submitted by the committee was concurred in.

Report No. 939, J. T. McShane *vs.* Carmel Lodge, No. 401, was taken up and considered, and after discussion by Bros. Grant, Shirts, Patty and Cockrum, Bro. Patty submitted the following resolution:

Resolved, That this case be referred back to the committee, with instructions to sustain the action of Zionsville Lodge, No. 285, I. O. O. F., in expelling Bro. J. T. McShane.

A standing vote was taken on the adoption of the resolution, which was decided in the affirmative by a large majority.

The following telegram was directed to be sent to the Grand Lodge, I. O. O. F., in session at Canton, Ohio, in response to a telegram of fraternal greetings:

INDIANAPOLIS, Ind., May 22, 1895.

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana :

Which was concurred in.

J. W. Tingle, P. G., from the same committee submitted the following

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana :

Elliott be set aside and that he be restored to full membership in good standing, would respectfully report that we have had the same under consideration and find that this committee is not in possession of sufficient information upon which to base a report, the Lodge neglecting to state the charges, the time of the investigation of the same or the length

of time for which Bro. Elliott was suspended. We therefore recommend that Monroeville Lodge be instructed to furnish the information above cited to this Grand Lodge at the November, 1895, session.

Which was concurred in.

Which, on motion, was concurred in.

R. E. Slater, P. G., from the same committee, submitted the following

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana:

We, the committee to whom was referred the petitions requesting your honorable body for re-issue of their charters of Scipio Lodge, No. 509, and Bee Lodge, No. 572, whose charters were destroyed by fire, do heartily recommend that their requests be granted, and also recommend that the Grand Lodge furnish said Lodges with rituals free.

Which was concurred in.

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana :

Your Committee on Petitions and Applications, to whom was referred the petition of VanBuren Lodge, No. 633, asking to reinstate John Barnes, suspended six months for drunkenness, would respectfully report that as six months for drunkenness is a very light sentence, we recommend that the petition be not granted.

Which was concurred in.

C. B. Stewart, P. G., from the same committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana .

We therefore recommend that the petition be returned to Pleasantville Lodge, No. 408, for the full record in the case, and we further recommend that in all cases where such leniency of this Grand Lodge is asked for, that they be required to furnish a full transcript of the trial and conviction, to the end that your committee may act intelligently.

To the Grand Lodge, I. O. O. F., of Indiana :

We, your committee to whom was referred the petition of Liberty Lodge, No. 710, asking for a charter in lieu of dispensation granted by the Grand Master, would respectfully report that we have carefully examined into this case, and would recommend their petition be granted.

A lengthy discussion ensued *pro* and *con*, on the adoption of this report. A standing vote was finally taken which resulted in 201 in the affirmative and 197 in the negative, as announced by the Acting Grand Master, C. F. Northern.

J. W. Tingle, P. G., from the same committee, submitted the following

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Petitions and Applications, to whom was referred the petition of Hardinsburg Lodge, No. 501, asking permission of the Grand Body to solicit aid from the sister Lodges to assist in building a Lodge hall, report that we have had the same under consideration and find the said Lodge has sustained a loss by fire of their Lodge property. We find that they were insured for \$1,180. We further find by the report of the Secretary of Hardinsburg Lodge to the Grand Secretary June 30, 1894, the resources of said Hardinsburg Lodge was \$3,333.56, which would indicate that this Lodge is in a very healthy condition financially, and we are of the opinion that they are amply able to take care of themselves. Therefore, we recommend that the petition be not granted.

Which was concurred in.

At this point in the proceedings a motion was made to appeal from the decision of the Acting Grand Master in deciding the vote on the report of the Committee on Petitions and Applications in granting a charter to Liberty Lodge, No. 710, in lieu of the dispensation granted by the Grand Master, and referring the question to a vote by Lodges. A point of order was raised by J. B. Cockrum that it was too late. The Acting Grand Master stated that he would decide the question on point of order to-morrow morning.

J. W. Henderson, P. G., from the Legislative Committee, submitted the following

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Legislation, to whom was referred the question presented by Edwards Lodge, No. 178, I. O. O. F., would respectfully report that in our judgment, in a case where a widow of a deceased brother of a Lodge dies leaving no children or dependent relatives, or relatives on whom she is dependent, and also leaving an estate sufficient to pay her funeral expenses, that no person is entitled to said benefits, but that the same should remain in the Lodge treasury.

Which was laid over until to-morrow.

The following amendment was submitted by J. F. Mann, from the Legislative Committee, without reading :

To the Grand Lodge, I. O. O. F., of Indiana :

J. B. Kenner, P. G. Rep, from the Committee on Grievances and Appeals, called up the report No. 939, made by that committee on yesterday, in case of J. T. McShane vs. Carmel Lodge, No. 401, and in accordance with instructions submitted the following :

No. 939.

OPINION BY J. B. KENNER, P. G. M.

To the Grand Lodge, I. O. O. F., of Indiana :

J. T. McShane vs. Carmel Lodge, No. 401.

Your Committee on Grievances and Appeals, to whom was referred the appeal of Bro. J. T. McShane, from the action of Zionsville Lodge, No. 285, in expelling him from the Order, have had the same under consideration.

We find, from an examination of the whole record, that this case, together with the former trials and proceedings connected with it, have been in the Lodges or Grand Lodge since the early part of 1892, and in order that the Grand Lodge may have the history of this case, and the facts as shown by the record, we will briefly set out the facts.

On the 21st of January, 1893, charges were filed in Carmel Lodge, No. 401, which, in substance, charged Bro. McShane with seducing

the wife of a brother, John A. Haines. Bro. McShane was at that time a prominent physician, and resided at Carmel, in Hamilton county.

On or about the 7th of January, 1892, Dr. McShane was called to the house of said John A. Haines. Bro. McShane went, thinking he was called in a professional way. When he arrived he found John A. Haines and his wife there and no one sick, but Haines immediately charged him with seducing his wife. Dr. McShane at once became very angry and used some very strong language, and this language is the basis of the first charge in this case. Bro. McShane denied the charge made by Haines.

After the charges were filed in the Lodge, for seduction, the Secretary took a copy of them to Bro. McShane, to his office, and delivered them to him in the presence of his wife, and a number of the doctor's patients. This conduct of the Secretary, at the place and under the circumstances, greatly angered Dr. McShane a second time, and he again indulged in the strong and intemperate language that is set out in the second charge in this case now on trial. Bro. McShane used improper and violent language, but, after cooling down, he wrote out and sent to his Lodge a full apology.

The charge first spoken of, which charged Bro. McShane with seduction, came in for trial upon Carmel Lodge, and upon change of venue, was sent to Broad Ripple Lodge, and upon this trial he was found not guilty.

A civil suit was also brought in the Circuit Court, but Haines abandoned that.

We now come to the case before us.

This case was first tried upon two charges:

The first charge set up that Bro. McShane when called to the house of John A. Haines, and charged by Haines of seducing his (Haines') wife, used grossly vulgar and profane language in response to the charge made by Haines. The second charge is that when the Secretary delivered a copy of the charges to Bro. McShane, in the presence of his wife and several other persons not members of the Order, he renounced and denounced the Lodge and the Order in violent, defamatory, profane and offensive language, and put the copy in the fire. These charges were preferred after the original charges of seduction had been tried, and not sustained.

A trial was had on these charges in Carmel Lodge, and the brother was expelled. There was an appeal to the Grand Lodge, and the action of the Lodge was reversed. (See Pro. of Grand Lodge, November, 1892, page 1469.)

After the case was sent back to Carmel Lodge, a change of venue was taken, and the case was sent to Sheridan Lodge for trial. A trial was had, and the brother was again expelled. An appeal was taken again to this Grand Lodge, and again it was reversed and sent back. (See Pro. of Grand Lodge, May session, page 1882.)

The case was returned to Sheridan Lodge, and by that Lodge returned to Carmel Lodge. The case slept there until the 28th of November, 1894. This was eighteen months after the Grand Lodge had reversed it the last time.

On the 28th of November, 1894, the case was sent by Carmel Lodge to Zionsville, and a trial had.

Many errors have been argued against the action of Zionsville Lodge in expelling Bro. McShane.

Your committee has carefully examined this record, and the evidence and proceedings in the case, and have heard able and full oral arguments in the case by attorneys on both sides.

The accused was notified when the case was sent to Zionsville Lodge, to appear and defend the case, and he appeared and filed a plea to the jurisdiction of Zionsville Lodge over this case or the accused, on the ground that the record in Zionsville Lodge in this case does not show that any investigating committee was ever appointed, and did actually prefer charges against him in this case.

We have carefully examined the record and find no appointment of an examining committee, whose duty it was to prefer charges. Therefore, so far as the record is concerned, none was ever appointed, and this Grand Lodge has decided again and again, under our present law, that unless charges are preferred by an investigating committee, no brother can be put upon trial, and unless the record shows this to have been done, Zionsville Lodge had no jurisdiction of the case or the person of the accused. The plea to the jurisdiction should have been therefore sustained, and it was error to overrule it.

After the plea to the jurisdiction was filed, the accused asked the right to sustain his plea by proof, and that the Trial Committee rule on the plea, but the committee refused to do either, but held the plea and compelled the accused to go to trial on the merits, and made up their report and sent the question of the validity of the plea to the jurisdiction, to the Lodge, along with the report on the merits.

We think this was error.

A Trial Committee has full power to decide all questions arising on the trial, and settle all preliminary motions and questions, before going to trial on the merits.

If the plea to the jurisdiction was a valid one, and could have been sustained, then no trial was necessary and could not legally be held.

Many other errors are alleged, and some of them, we think, are well taken, but inasmuch as we have taken the above views, your committee will not discuss all of them.

We now desire to give our views upon the case on its general features and the evidence.

It seems to your committee that the great persistency with which this case has been pressed after several reversals savors somewhat of persecution.

After Bro. McShane was acquitted of the charge of seduction by Broad Ripple Lodge, it would seem that the main charge was settled, and the hot, intemperate language of the brother growing out of this charge was only an incident of the main charge, and is accounted for by reason of a brother Odd Fellow charging him with a most serious and grave charge, of which he was innocent.

After Dr. McShane had been acquitted of the charge of seduction in Broad Ripple Lodge, out of which the charge in this case grew, and he had been practically acquitted of it in a civil court and given the manly apology to his Lodge which he did for his violent and angry language, it does seem that the principles of Odd Fellow-

ship ought to have extended to him the principles of charity and brotherly love. But it seems that no apology or repentance on his part had any weight in this case.

We do not approve of the language used by the brother in any respect; it was angry and very intemperate, and wholly improper. But there are in this case, as this Grand Lodge has held similar language in other cases, extenuating and palliating circumstances for strong and intemperate language. See proceedings of Grand Lodge of Indiana, November session, 1890, page 756.

What would any brother probably do or say when another brother called him to his house and in the presence of his wife charged him with ruining that wife, such charge being wholly false, and on trial found to be false. We submit that most men would boil over, and one would be inclined to express himself stongly.

Then, again, when the Secretary of the Lodge presented copies of charges to the brother, in the presence of his wife and other persons, who were his patients and friends, it seems that either by intent or inadvertance it was intended to humiliate our brother in the presence of his wife and friends, and it is not to be wondered at that Dr. McShane became very much agitated, and for the moment lost control of himself, and used the very improper language which was used, but after he recovered his usual frame of mind he promptly and fully apologized to his Lodge.

We are fully of the opinion that, under these facts, it is excessive punishment to expel a brother who had always before been a good man, and has always been since.

The strong and intemperate language used by Brother McShane, in the presence of the Secretary, was hot, violent and profane, and we must condemn it, but, under the circumstances surrounding it, and provoked it, that there were extenuating and palliating circumstances, which after the apology did not warrant the extreme penalty of expulsion; besides this, your committee does not regard that the evidence sustains the charge of renouncing the Order.

The brother did speak rashly about his Lodge, but it could not be construed to renounce the Order.

Brother McShane got the idea in his mind that the Lodge was under the influence of Haines and their friends' influence, and that they were persecuting him, and this fact called out the strong language by the brother against the Lodge.

That part of the charge which sets out that the brother burned the copies of the charges given him by the Secretary, was an improper charge.

We believe it was error not to strike out that part of the second charge, and it was error to hear evidence on that subject, for the reason that when copies of charges are given to a brother, they are the brother's property, and for his information, and he can do whatever he pleases with them, and if he destroys them, it is no offense against the Order.

It appears in this whole transaction that Dr. McShane has always borne the reputation of a good man, both before and since this trouble, besides being eminent in his profession. This being the case, should a case of mere contempt against his Lodge, for that is all that we can make out of this charge, expel a brother from our Order, who has been an honored member for more than twenty years?

Your committee believe this case ought to be reversed, and inasmuch as Dr. McShane has been tried three times and compelled to spend time and money to defend himself, and inasmuch as he rendered a manly apology, we think this ought to be an end of this case. We therefore offer the following:

Resolved, That the action of Zionsville Lodge, in expelling Bro. J. T. McShane, be in all things reversed.

J. B. KENNER,
 ENOCH G. HOGATE,
 J. B. KIMBALL,
 J. B. COCKRUM.

By instructions of the Grand Lodge the action of Zionsville Lodge in expelling Bro. J. T. McShane is affirmed.

J. B. KENNER.

Which was concurred in.

Deputy Grand Master C. F. Northern in deciding the question on point of order in the appeal taken from his decision adopting the report of the Committee on Petitions and Applications, granting a charter to Liberty Lodge, No. 710, in lieu of dispensation, stated that as there was some question as to the correctness of the vote taken yesterday another vote might be taken by unanimous consent, which was agreed to. Another vote was taken with following result: Affirmative, 418; negative not counted. Pending further consideration, on motion of D. B. Shideler, the report was concurred in by unanimous vote.

The following appeal was submitted:

Notice is hereby given that I appeal to the Sovereign Grand Lodge, I. O. O. F., from the action of the Grand Lodge of Indiana in the case of John T. McShane *vs.* Carmel Lodge, No. 401, at the May session of said Grand Lodge of Indiana.

JOHN T. MCSHANE.

Appeal granted.

S. P. Stroup, P. G. Rep., from the Committee on the State of the Order, submitted the following

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on the State of the Order, to which was referred so much of the report of the Grand Master as relates to the privi-

lege granted to the Grand Jurisdiction of North Dakota to solicit aid in our jurisdiction, would report that we have examined all the papers coming into our hands in connection with such subject, and find that the Grand Jurisdiction of Indiana contributed the sum of \$971.51, for which the Grand Lodge of North Dakota commends this Grand Jurisdiction for its liberality.

Which was concurred in.

J. E. C. F. Harper, P. G. Rep., from the same committee, submitted the following :

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana :

Your Committee on the State of the Order, to which was referred so much of the Grand Master's report as relates to the Odd Fellows' Home, have duly considered the same, and respectfully report the following resolution :

Resolved, That the Trustees of this Grand Lodge be instructed to pay to the Odd Fellows' Home the amount now due them from the Grand Lodge, in such sums as may from time to time be necessary, and raise the same by loan or otherwise.

Which was concurred in.

J. E. C. F. Harper, P. G. Rep., from the same committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana :

Your Committee on the State of the Order has had under consideration the following statement from Richmond Lodge, No. 254 :

" To the Grand Lodge of Indiana, I. O. O. F. :

" Richmond Lodge, No. 254, desires to submit the following statement:

" On the 22nd of October, 1894, the application for membership by card of Thomas F. Swain was received in this Lodge. - On the evening of the 29th of the same month the Committee of Investigation reported favorable. The Secretary was then instructed to ask Chinkaroror Lodge, No. 120, for a dispensation to admit him (he living nearer their Lodge than ours), Bro. Swain having taken his card from Webster Lodge, No. 371. (The accompanying diagram will illustrate the location of all the Lodges interested.) On November 3rd, 1894, Chinkaroror Lodge, by resolution, refused to

grant such dispensation. (See paper marked 'A,' and herewith enclosed.) On the 12th of the same month Richmond Lodge instructed the Secretary to ask a reason for such refusal. (See paper marked 'B'.) Then, again, on the 17th of the same month, Chinkaroror Lodge refused to recede from its former action, and also refused to give any reason therefor. (See paper marked 'C'.) Now, therefore, Richmond Lodge petitions this Grand Body and prays that this Grand Lodge cause Chinkaroror Lodge, No. 120, to assign a reason for such refusal or prefer charges against Bro. P. G. Swain for annulment of card. (Signed C. R. TINGLE, N. G., A. K. DEETS, Sec'y, with the seal of Richmond Lodge, No. 254, attached)."

Your committee finds upon examination of the correspondence between the two Lodges that the above statement is substantially correct.

The correspondence does not show, however, that the proceedings in the matter have been in accordance with Section 10, Chapter II, General Laws, on page 22 of July edition, 1894. A reference to that section will show that the whole matter is under control of the Grand Master, and from his decision there can be no appeal.

Your committee therefore asks to be discharged from the further consideration of the subject.

Which was concurred in.

Representatives Wm. Lockhart, of No. 64, and J. H. Goldsmith, of No. 7, submitted the following :

Amend Section 2, Article II, of the Constitution as follows : After the word "Indianapolis" insert—" *Provided, however,* That the Semi-annual Communication of May, 1896, be dispensed with."

Which was laid over until next session and referred to the Legislative Committee.

L. J. Monks, P. G., from the Legislative Committee, submitted the following

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana :

Your Committee on Legislation, to whom was referred the decisions of the Grand Master, to-wit:

"Is a Past Grand of an old Lodge, who has never served as Vice Grand, eligible as Representative in this body?"

"Under Section 3, Article I, of the Constitution of this Grand Lodge it is expressly provided that he is not, while in Section 1, Chapter XIX, General Laws, the only qualification required is that he shall be a Past Grand.

"At the May session, 1887, page 1182, the question was presented to the Legislative Committee of this body as to whether a Noble Grand who had not filled the office of Vice Grand would be eligible as Representative. The committee, citing Section 5, Chapter III, of the General Laws, held that he would be, but the section of the Constitution above cited was not referred to in the decision, and believing the provision of the Constitution and the section of the General Laws are in conflict, that the Constitution would control, I held the Noble Grand under such circumstances would not be eligible as Representative, and submit it to you for your approval or disapproval"—have had the same under consideration, and recommend that the same be approved.

Which was concurred in.

L. J. Monks, P. G., from the same committee, submitted the following resolution:

Your Committee on Legislation recommend the adoption of the following resolution:

Resolved, That Section 3, of Article I of the Constitution, be amended to read as follows:

SEC. 3. No person shall be eligible to a seat in this Grand Lodge unless he shall have served regularly as a V. G. and N. G. at least one legal term in some Subordinate Lodge (except only in the case of the first N. G. and the first V. G. of a new Lodge), and in the case provided for in Section 5 of Chapter III of the General Laws. And these qualifications shall be, in all cases, certified to by the N. G. and Secretary of all Lodges concerned, and sealed with the seal of the same, before the Grand Lodge Degree shall be conferred upon any applicant for membership or Representative elect."

Laid over until next session under the rules.

Your Committee on Subordinate Constitutions, to whom was referred the By-Laws of Golden Star Rebekah Lodge, No. 452, of Whiting, Indiana, have had the same under consideration, and make the following report: While we find many of the provisions contained in said By-Laws which seem to us not necessary to the proper administration of the affairs of that branch of the Order, we have permitted them to remain because not in conflict with the Constitution and Laws of this Grand Lodge. We have, however, found many of the provisions thereof not in harmony therewith, and have therefore made such changes by erasures and insertions, as well as additions, as we believe will harmonize them with the General Laws. These changes have been so numerous that to set them out in detail in this report would extend the same to an unreasonable length, and we believe would not serve any good purpose.

We therefore recommend that said By-Laws, as so changed by the committee, be approved.

Which was concurred in.

W. H. Leedy, P. G. Rep., called up the following report submitted at yesterday's session:

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Legislation, at the November session, 1894, (pages 2182-2183), were instructed to amend Section 13, Chapter IV, of the General Laws by adding the following:

"It shall be the duty of each Subordinate Lodge to enact such by-law for the enforcement of the provisions of this section as it may deem most efficient, and such by-law shall be the only law for the enforcement thereof.

"Should any member be dissatisfied with the enforcement of said by-law in any case, he may appeal to a Committee of Past Grands in the same manner as provided for in Section 15 of this Chapter."

By an inadvertance, your committee overlooked your instruction, but take this, the first opportunity possible, to comply therewith. Therefore, in compliance with and respect for your instructions, we recommend the adoption of the said amendment.

On motion the report was concurred in.

2. *Resolved*, That the hour of 10 o'clock of the second day's session be assigned at the semi annual and annual communications for the exemplification of the unwritten work by Grand Representatives.

3. *Resolved*, That at the semi-annual sessions the nomination of officers shall be next in order after the exemplification of the unwritten work, and at the annual session the nomination and election of officers shall follow immediately after the exemplification of the unwritten work.

(*Proceedings Grand Lodge, November Session, 1888.*)

RESOLUTIONS OF SOVEREIGN GRAND LODGE.

Resolved, That a member of the Order in good standing, evidenced by holding an unexpired visiting card, issued in conformity to the laws of the Order by his Lodge or Encampment, and having the A. T. P. W., being in distress, or pretending so to be, and needing money, and who, having asked for and received from a Lodge or Encampment, or a member thereof, a sum of money, under the assurance and promise that he will return or repay the same within a given time, or as soon as he returns home, but who shall neglect so to do after a reasonable time thereafter, without a satisfactory excuse being rendered, shall be deemed guilty of conduct unbecom-

coming an Odd Fellow; and due notice of such facts having been officially communicated to his Lodge by the Lodge or Encampment so loaning him the money, it shall be the duty of his Lodge to notify him of such indebtedness or loan, and to demand payment thereof, and if he then refuses or neglects to pay the same, his Lodge shall prefer charges against him, try him, and if found guilty, and without sufficient mitigating circumstances, to expel him from the Order. If there be such mitigating circumstances, then to impose such penalty as the Lodge may deem best.

Resolved, That the respective State Grand Lodges cause the foregoing resolution to be embodied in their proceedings, and the attention of the Subordinate Lodges and Encampments especially called to it. (*Proceedings S. G. L. U. S.*, 1874, pages 6310, 6326.)
